### WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE LIGHT-NUCLEUS SAGRADO CIELO, IN BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

It gladdens Me to meet again My faithful and beloved children, at this Sacred blue Heaven, where many experiences have been lived by you, My children. Dark nights have been gone through, moments of joy have been lived and shared and, today, you are here with Me, in fidelity and love.

I would like you to know that the times to come will not be good, but if souls repent from the heart and surrender with faith in the Immaculate Heart, all can be avoided.

Now that your feet are tired from this trajectory and this path, renew yourselves.

I Am here and I Am your Mother. The Mother that will never abandon you, the Mother that will always receive you and give you the Peace that the whole world needs so much.

Rejoice, because I Am here to grant you My Graces once again, to grant you the Pardon of God and the renewal of your lives in this definitive cycle, a cycle in which effort will be the great master key among all keys. The key that will open the door to the descent of God's Mercy.

Therefore, My children, let your minds expand, let your hearts open much more than they are already open, so that the consciousnesses that have self-summoned may come here, as it is foreseen in the Aspiration of the Eternal Father.

Everything you have learned throughout the times has been for this moment, My children, for this definitive hour, in which you must learn to walk in sacrifice out of love for God and out of love for My Son. Because He will never give you such a heavy cross that you can carry it by yourselves.

He will give you the cross of liberation and redemption, just as He carried it in a brave manner a long time ago, for each one of you. Therefore, continue to participate in this fidelity to God and to My Immaculate Heart.

In advance and forever, I give thanks for the channel offered in this place, for Vigil and Adoration.

My children, it is time to re-build the spiritual bases of this humanity, through the important exercise of Adoration to the Eucharistic Body of My Son. Because while this does not happen, you know that souls go astray time and again. My wish is to bring all toward God, not only those you do not know, but also your families, your loved ones, all those who are close to your lives.

All need to know the Mercy of God. This mystery was revealed and given on the Cross through the Blood that was shed by My Son, in each drop that He shed for the world.

Today, for this renewal, My Graces bring you the Codes of the Blood of Christ so that, after that which was lived throughout the last years, your consciousnesses may feel healed and renewed, may

assume, with maturity and enthusiasm, the cross that My Son gives you, out of love for humanity and the planet.

My children, your Heavenly Mother knows, in advance, all that you will do to receive Me next October 13, because you have learned to serve and give of yourselves.

I would like to see not only the flowers that you always place at the foot of My Altar, which you will raise in offering to My Immaculate Heart. I would also like your lives, on the coming days and in the times to come, to be these beautiful flowers of conversion, forgiveness, love and redemption, which I will be able to pick with My own Hands to give them to God and confirm that the Plan of My Son for this world is feasible.

Today, I embrace with My Mantle all those who need it. Today, I place upon My Chest all those who need to feel the beating of My Heart, so that you may remember that the Consoling and Co-redeeming Mother is always present here, in Spirit and Divinity.

Rejoice, because the end of captivity will come not only for you, but also for the whole world. Because when My Son returns, He will renew and transform everything, by the merits achieved in His Passion, Death and Resurrection.

On this day, may your souls resurrect in spirit under the Love of God, under the Presence of the Mother of the Holy Spirit. Offer to God the best you can give Him. No matter how small it seems, let it be true and sincere. Because it is in that which is small and not in that which is big, that God works, through the souls and hearts open to His Consoling Love.

And just as I have done on these last days, in these last weeks, in this special Pilgrimage of re-encounter with My dear children, I will offer the Sacrament of the Anointment to you again. Thus, may the sign of the Cross of Emmanuel sanctify, protect, heal and accompany you in this new stage of renewal and re-founding of the bases of the Purpose of this Nucleus and of this point of Spiritual Light in this part of the planet.

Children, do not fear the cross, I Am here and I Am your Mother, the Mother of all of humanity and of the planet. Remember that here I find inner strength in those who adore, pray, watch and serve God.

Not only My Son seeks a place where He can rest and restore, also your Heavenly Mother seeks this place in the hearts that serve the Work of God on this planet.

Place your intentions at My Feet in the silence of the heart, and I will take them to God.

Pray and do not fail to do so, for your protection and the protection of your families. Unite to God through prayer.

Let us make the offering to God, from the innermost core of My Heart, at this moment.

Celestial Father,  
who leads us all,  
accept our offer of surrender to You.  
Guide us through the path of love,  
so that Your Will may be done.

Amen.

I thank you for having responded to My call in such an immediate way, because when this happens, My children, humanity ceases to suffer.

Now, let us go to the foot of the Altar of Christ, you, as His companions and apostles. Let us offer not only the bread and the wine so that they may be converted into the Body and the Blood of Christ. Offer your hearts also, so that this renewal may reach your lives and your families, through the blessing of the Holy Spirit.

Be in peace.

In the name of the Father, the Son and the Holy Spirit. Amen.
