EXTRA MESSAGE RECEIVED IN THE CITY OF SAO PAULO, BRAZIL, TRANSMITTED BY MARY, QUEEN OF PEACE TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children of Mine,

As I know that you will want to know, God will grant Me to know the world after it completes ten years of continuous Apparitions. After that, many will give living testimony of My presence among you and, mainly, the Holy Father will recognize Me as the Lady of the Great Mystery, different from that which has been happening for thirty three years in Medjugorje.

For this moment, many of you no longer will be, and My task that now is in groups will be assumed by each visionary in different continents because My last call will be that they will give the world to know My final message. This final message is this, that which I am giving to you, month by month. In this way, many hearts will be prepared for the awaited return of Christ, and everything that until now seems to be a mystery will become a living revelation for the current humanity.

For this, in the final times, I will come to ask humanity for the consecration of all homes to the Immaculate Heart; when I am no longer among you My Light that comes from Heaven will be poured upon your families, and in this way, you will be protected from the three days of darkness.

When this moment arrives, I will show Myself for the last time to millions of people, and those who have not believed in the Woman Clothed with the Sun, by the luminous turning of the light of Her twelve stars upon the Earth, will be converted and receive as a final opportunity for the absolution and forgiveness of sins.

This work, as so many others that I have realized for the good and for the peace of humanity, will be recorded in the memory of all those who, through their efforts, will admire the power of My Immaculate Heart; before the great cycle of tribulation, the whole world will have more time of peace.

But now comes the time of preparation. I call you to realize in your lives the spirit of constant prayer and of charity; this will demonstrate, after a while, visible results within your hearts.

I now wish to tell you that the gift of your group is the true love of God, a love that has brought you to be among My arms of a Mother.

Dear children, this is the love which some felt in their hearts, that which has allowed Me to be here today and to reveal to you this secret of the end of time. From your fruits will be born new seeds in the future; open the doors of your inner universes so that new souls may be able to be served from the fountain of Graces that has been poured over you in these last years.

The Father always will infuse His Faith in your hearts. While the whole world passes through the cycle of its last transition, I come to ask you to be living testimonies for those who do not believe, and especially to pray every day from the heart for those who have been lost in the hands of the enemy. In this way, because of your prayers, My Immaculate Heart will triumph!

On this night, I thank you for accompanying Me. These days shared with all of My praying children were celestial gifts generated for those who have not been rescued, in this way, the Plan of God is fulfilled.

I bless you and guide you.

Your Mother Mary, Queen of Peace
