Daily Message of the Virgin Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

I place My Crown of Light over the nations so that the spiritual and Christic life may awaken in time in consciences, so that souls may recognize the moment has come to aspire to be in the Kingdom of God and in His Eternal Will.

Thus, on this day, My children, I remind you of the higher commitment with the Divinity and with the plans of your Eternal Father, which must be accomplished in this last phase of the planet.

I come to show My children that it will be necessary to collaborate so that peace may be established in matter and in every consciousness that has need of the intercession of Divine Mercy.

I hope that My beloved children have an awareness of the inner unity which must be experienced at this time, not only with the Plan of God, but also with everything that is living around you, with Creation and with nature.

This feeling of unity will allow you to be well positioned in the mission that you must carry forward with all of humanity that is awaking.

Today I place you all in My Lap so you may feel My Divine Peace.

I thank you for responding to My call!

Who unifies you,

Your Mother, the Virgin Mary, Rose of Peace
