DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When the Plan of God is not lovingly accepted, just as the universe of Higher Will presents it, humanity inwardly responds that it is stepping away from Grace and the opportunity for redemption which forgiveness grants it. But when the Plan of God is not accepted by those beings that are more aware, this is the answer though which the entire Purpose will begin to be erased.

This completely superficial and small-minded attitude of the human being limits the development of that Greater Plan, which only seeks a group benefit for all creatures.

For this reason, in this time, a non-acceptance and lack of adherence to all that is being planned through the Spiritual Hierarchy, affirms and confirms, on the part of the human collective, the living of or the experience of a violent and irresistible purification, since that inexplicable opportunity is not being considered, nor is the Grace of living a different Law that could, on its higher level, transform many things.

Thus, the participation or the absence of those within the Plan of Love will bring consequences and results in all senses.

Each soul is responsible for everything coming out in an evolutionary way.

I thank you for responding to My call!

Who blesses you, with Mercy,

Your Mother, the Virgin Mary, Rose of Peace
