

**Wednesday, December 19 of 2012**

**APPARITION OF THE VIRGIN MARY IN THE CITY OF LA PLATA, BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Do not fear, dear children, because the doors of the universe are open.

Today, God sends Me to tell you that the long-awaited cycle in this humanity is approaching. This means, dear children, that I will be closer to you during all these times.

After 2,012 years, My Consciousness will strongly take action in this world and this will extend into the next year of 2013, in which a task in Medjugorje will be completed from the unfolding of secrets. Everything will be revealed to the world in a short time. The true revelations written by the prophets of yesterday.

And today I fulfill a prophecy, among many, the coming of the Queen of Peace, of the Queen of the Universe, Who announces the coming of My Son through the solar birth; this means, dear children, that the signs will be shown.

What I am revealing to you is important; for this reason, now I will ask your permission. The hearts that are very close to Me, will better understand Me this way.

Dear children, I want to tell you that, as of now, the cycle that was written by God begins. The books open to write again in humanity, in the New Humanity so awaited by Our Lord.

Thus, do not fear the events that will occur. You were called in this time because you have already been prepared. Your hearts were prepared through My coming throughout all of this end time. That is the best sign that I show you today: that through My Presence, you practice prayer of the heart.

During all of these days, it will be important to offer God the small sacrifices your hearts are able to do, so that this new time be of appeasement, and many hearts that have need of being sheltered in Me are able to approach through the collaboration of the Guardian Angels. Your daily union with the Guardian Angel will be important; It will show you the steps you are to take during this end cycle.

As the Mercy of God is so infinite, dear children, My Maternal Heart will come to Aurora to be able to support you. And after so many events, which will happen little by little, I will return here, to Argentina, next year, beginning in March, so that you, now as adults, are able to be united with Me and help Me in this planetary task that will begin at the end of this year.

For this reason, dear children, direct your eyes to the sky so you may see the portals of Peace shine, and do not allow yourselves to be deceived by what could happen in this world. It will be the moment, dear children, to activate the powers of prayer and to hold yourselves within My Immaculate Heart so that you do not fear anything.

Today I do not come to reveal the miseries of the world to you, but rather to bring you the Grace of God, the Mercy of the Most High, so that those children who in truth want to listen to Me, are able to walk with Me, at My side.

It is time, dear children, you took My Hands, so that My Crown of Stars can surround each of you, as well as each of My children that has need of the immensity of the Light. Thus, you will be able to participate in this meeting with Me in Aurora.

And today I also want to reveal, dear children, that within My Immaculate Heart the other Communities of the Father are also kept. With this I want to say that I too will be in each one of them and will be able to be closer to each of My children when you carry out the practice of prayer; for in this way, dear children, you will be calling Me during this definitive time.

I want to leave all of My children under My Mantle. Thus, open your hearts in this definitive time, set aside differences, blame and bitterness; because if you continue in this state, you will be feeding the enemy. Thus, defeat your atavism through prayer; in this way, you will be able to transcend yourselves, and very close to My Kingdom, My Eyes of Mercy will be able to guide you.

I am calling, in this definitive time of 2012, all My soldiers of prayer, you and the rest of the soldiers that are in the world, all the Marian groups consecrated to My Heart, all those who attribute faith to the Universal Mother. Because as Mother of the World, dear children, I am calling the 144,000 flocks of Christ, that they may receive the Resplendent Redeemer, because He is very close to your lives, to this material reality.

But first, He must enter into your hearts as something living. For this to happen, My children, you have the Flame of the Holy Spirit as guide and protection.

In these hours that will take place, dear children, pray, pray without ceasing, pray so as to be very united with My Immaculate Heart. Pray so that Saint Joseph, the Most Chaste Heart, can intervene for all. Pray so that the legions of Angels of the Father are able to help the planet, and the portals of the universe can be projected toward this world so all the hosts of the Creator Fathers can come. That is My special reason for planetary prayer for December 21.

Dear children, today I must speak to you with maturity and awareness. You are not only My little children, My caring hearts of love; now, already adults, you must know the truth and take on the role that is due to each child in this time.

I am praying constantly for you and for all My children; taking care of the essences which can be deceived; the enemy will not rest until it deviates some child of Mine. Know, dear children, that in this time, everything is allowed; but with your prayer, united with My Immaculate Heart, you will be able to be united with the Divine Heart of My Son.

Unite as a single group of prayer. Let this end of year, this Christmas that is coming, not only be a reason for receiving the Redeemer, but also of uniting among yourselves as a single praying group in each nation.

Dear children, run, run to your homes and begin to pray, unite your families with the spirit of prayer. It is no longer so important that each soul not know how to pray, but rather, that it begin to practice the verb of prayer.

I promise to help all those who start on the path of prayer. And you, My dear children, can also help those who want to learn to live by prayer.

Do not think, dear children, that today I come to bring you fear, but rather to prepare you to find the truth in your heart, so your consciousnesses truly unite with the Heart of God.

The time of normalcy has now ended. It is time to go into prayer, to cry out and ask for the Presence of the Holy Spirit. My Immaculate Heart will be grateful that each one of you is able to participate in this planetary prayer.

My basket of gold will gather the flowers of your prayer. What I need, dear children, is to offer a great number of prayers to God, and your prayers will become more powerful when you are united in groups of prayer and leave this normalcy the world is living.

Know, dear children, that many of My children will not know what will happen; thus, I ask you to pray for all of them.

Your prayers will multiply when you consciously pray together with your Guardian Angels, because they will uplift the prayer to My Celestial Kingdom and My Merciful Rays will be able to act in different parts of the world. For this reason, do not be surprised, dear children, if you see Me in many places at the same time; if you see the Saints of the Father acting in this humanity, multiplied over the length and breadth of this world to aid humanity.

My Heart will intercede for all of you.

It is important, dear children, that the Light-Network be activated as a Network of the Divine Plan of God, and this will take place through your intervention in all the practices of prayer that can unite all the consciousnesses of the nations into a single one.

My Heart will be in vigil for all the children that I am in charge of and for all those who have distanced themselves from God. I will untiringly do the best until the end.

*Prayer: "Hail Mary" (6 times).*

*We breathe in.*

Dear children, I want to tell you something at this time, especially all of this beloved nation of Argentina, that you never forget that My Heart loves you deeply and that, if at some time your hearts are disturbed or if your thoughts separate from the Love of God, do not fear anything; enter into My Maternal Heart, empty your burdens at My Feet, because My Heart of Light will console you.

Remember that I Am the Lady of Graces, the Queen of Peace, Who comes with the promise of much more peace for this world. And this will be fulfilled through the love of all My children, through faith and hope.

Also always know, dear children, that you will find Me in the Most Sacred Heart of My Son, in Salta; where My Voice also spreads a Message for Peace. And the doors of My Marian Center consecrated to My Heart, which is in Uruguay, will be open, as well as the one in Brazil and the one in Cordoba. For this reason, lift up your hands to My Heart so that My Light is able to pour out My

Maternal Love over your hands and you are able to feel it above all things.

Before My rise to the Heavens, I want to consecrate you with the water that I will consecrate today, as John baptized My Son Jesus. I want to carry out this very loving practice with you.

I will bless the roses that symbolize My Love for all of you, which will wet your heads with water, so that you may be protected and renewed in My Love.

May the water, which symbolizes Life for the life of souls, which is the essence of the Manifested Spirit of God, be able to deeply enter into your hearts. May the water that heals life, the water that cures wounds, the water that renews your consciousnesses and frees you of all sin and of all stains, be blessed by the power of My Immaculate Love and under the perfect union of the Most Holy Trinity, so that your hearts will shine forth in My Peace and you walk in this time under the spirit of faith and of love.

My Immaculate Love blesses this symbol created by God, this element of the nature of the universe which gives you eternal life, because it renews you and deeply heals you. May this water satiate the thirst of your hearts and nurture you with the love of My Son.

In the name of the Father, the Son and the Holy Spirit.

I thank you, dear children, for answering My call.

Meditate on My Words.

*Song: "Luminous Bird".*

***Mother María Shimani de Montserrat:***

*Well, today has been an intense and special day for everybody. Our Mother made important revelations for this end of cycle, revelations to which we need to pay a lot of attention.*

*As never before, the Mother affirmed and confirmed this new cycle which is coming for our planet. She tells us clearly that, united with Her Immaculate Heart, we are going to be a hundred percent protected; and that there's no need to feel fear; on the contrary, we only have to do what She proposes, and we'll be under Her Mantle of Protection.*

*This end of year, through the Light-Communities and the Light-Network, we have scheduled a perpetual vigil of prayer. We're surprised by the response of all the groups of prayer of the world, about how people get organized in an incredible way to spend ten days constantly praying; of how the different regions and the different nations divide the hours of the day to be able to be constantly praying.*

*This says that our Mother has found a space in the heart of many people and the Light-Network is beginning to light up in all of South America, Central America and all of Europe.*

*So the response of our hearts is being loving to the request of our Mother. It's what we can offer Her after so many Graces, just gather together and pray. We will all be learning, through these praying groups, the true value and power of this prayer.*

*To all those who want to come to Aurora in these last days of the year, you are invited to participate, the same for Figueira Light-Community. And if we have to spend them in our homes with our families, as the Mother also invited us to do, let us invite our families to pray and let us discover a different way of living.*

*To everybody, we thank you very much for having accompanied us. And as Our Lady said, we will see each other in March.*

*And now, we will say goodbye through singing.*

*Song: "Give Us Your Love".*
