**APPARITION OF THE VIRGIN MARY IN BRASILIA, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

**Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:**

Dear children,

I come to the world to give you Peace, mainly those who unite with Me through the Rosary.

The Lord has asked of Me that on the Earth there be new pioneers of Peace, new flames of Peace that can ignite in this chaos that exists in the world in order to transform it, to free it from the heart of humankind, so that all My children may also attain that Peace.

Today, I invite you to love the Law of God; no matter how unknown it is to you, you will be able to know it through the Commandments. If you live it in this way, you will be able to draw closer to the Justice of God, a Justice the world has drawn away from, because the Justice of God is Love, is Compassion, is Mercy.

As Queen of Heaven, I come to bring you the Universe of the Father. On Earth, new stars must re-ignite, new suns that are dark must kindle again, and this will be possible through prayer and the living of the Sacraments with My Son Jesus.

Dear children, I come to Brasilia to have you know the Justice of God, which many fear, because the Justice of God is a justice that repairs and restores hearts that have been lost.

The Justice of God wants you to come to know Eternal Life, the universal principle of Will; but, dear children, it is necessary that you truly aspire to love that Law, which is the law of Love and Truth, which has been unknown to many of My children throughout history because of wanting to live the laws of the Earth.

But today, I come to have you know the true Law of God that is to be found in the essence of your hearts, in the steps you can take toward the Lord through your infinite trust in His Love and the sure fullness of His infinite Mercy.

Dear children, before the Return of My Son, I come to open the doors of your hearts.

The New Jerusalem must emerge as it existed in the past among the sacred peoples of the desert who, together with Moses, obeyed the Laws of God; and some of them, in spirit, found the Promised Land.

This Land of which I speak is Paradise. That Paradise that lives in your hearts, that inner Temple that many do not seek because of being distracted with other things, which the world provides as a temptation and desire, that makes My children be separated from the truth of the Law.

All the Celestial Universes, where the Angels and Archangels are, want to draw closer to your lives.

Dear children, it is time, through the prayer of the heart, for you to be able to know your Guardian Angels, invisible presences that God granted you to accompany your footsteps toward the only definitive goal, which is that you are able to blend into the essence of the Love of God in the next world.

While the world still suffers, many hearts must find that Truth, seek it through prayer and faith so that your hearts may be healed and the redemption of your souls may come to pass, just as the Father has foreseen from the beginning.

All the Creation of the Father, including this planet of love, must live the new Project of God; those awaited years of peace that many seek and that, like an inner seed, will be able to be cultivated in your hearts, and that inner light will expand through you by means of prayer and peace.

Thus, dear children, I invite you to seek that truth. Do not look for a mystery unknown to you; love the Mystery of God to be able to know it. It is to be found in all manifested things, in your brothers and sisters, in your cities, on the planet and in the Kingdoms.

Look at how much need there is in the world and how few servers intend to serve God to help humanity in this definitive time through the Laws of the Lord. Those that the Sacred Family of Nazareth lived will be able to restore the Earth, but it is necessary that there are instruments that are able to accomplish this simple goal that I ask of you: to be souls in eternal prayer that can verbalize the Sacred Word of God so the subtle vibrations can transform the Earth and consequently, human beings who daily separate from God, following other paths that do not lead to Peace or Love.

For this reason, as Universal Mother and Queen of Peace, I committed Myself to Our Father in this last century, in this last XXI century, to open hearts so they are able to see the truth.

Thus, I invite you to unite with My Heart as I have already asked for so long in Medjugorje. Because after these Apparitions, I will wait for My children to be able to concretize the inner consecration of the Americas to My Immaculate Heart.

In this way, you will allow new doors to open so that the Laws will be able to restore humankind, so that new principles of Creation are able to emerge as new flowers in hearts and the New Humanity can emerge which, for a long time, God has so hoped can awaken.

Dear children, I do not promise you happiness, victory, or power; I promise you sacrifice, surrender, charity, faith and love, and much prayer for these so difficult times.

In your hearts, contemplate the needs there are in this world. It is time to do something, dear children, and help the Plans of the Father. In this time, you have the keys to be able to do it; unite with My Immaculate Heart.

Definitely proclaim that you belong to God so the false gods can fall away and the victory of the Heart of My Son be established in all the hearts of the world; but for this to happen, My children, it is time to awaken.

**Sister Lucía de Jesús transmits the Words of the Virgin Mary:**

I hope to not cause fear in your hearts, because it is not necessary to be afraid of Divine Justice. I only bring you an impulse from the Kingdom of the Heavens so that, through My Presence, you find a sure path of consecration.

My dears, today I tell you that prayer will activate devotion in your hearts, and through devotion and love, which is born in the depths of your beings through the Heart of God, you will discover how simple it is to fulfill the Laws of the Lord.

Today I tell you, My beloveds, that it is necessary to be very willing and determined to follow this path, because you must knock down the barriers built so many centuries ago in the consciousness of humanity, barriers that feed the material world and make the life of the spirit be forgotten. Today you can see around you what you built with this aspiration of growing only in matter.

Today I tell you, My dears, that the world suffers and also the Heart of God suffers because of all the causes that humanity created in the world. Thus, on this night, I ask that you be willing to balance this evil, living this Law of love, fraternity and prayer.

Do not allow yourselves, My children, to feed the discord and the lack of love among creatures, but rather continue with faith and with trust on this path of unity, a path the Sacred Family placed in the life on Earth and left as an example and as a truth so that all human beings, throughout the centuries, could imitate it.

Today, My children, if you find the Sacred Family distant from the reality of your lives, do not sadden your hearts, because this is a long path, a path of definition, of persistence, a path that is built through the faith of your hearts, because faith will move all that is entrenched in your consciousnesses, and that which seems impossible to you to transform, through the Work and Grace of the Spirit of God, will be transformed.

For this reason, it is only necessary that you want to experience that transformation, that you aspire, with all the will of your hearts, to follow this path of conversion of life and that, through the conversion of your lives, the conversion in all of humanity can occur.

Today I ask you, My dears, that you also live in communion with the Kingdoms, as the saints and the blessed did on Earth, to balance all the destruction that humanity caused throughout the centuries.

The love you radiate to the Kingdoms repairs the Heart of God and transforms the destiny of humanity, so that Mother Nature does not need to go against the human heart to balance the faults caused by it.

My dears, today I tell you that there is still time to spiritually balance the faults caused, through fervent and true prayer, through fraternal and loving actions, which create unity with the Kingdoms and with others.

My beloveds, if you only try to experience this path, the doors will open in your lives and, step by step, you will discover how simple it was, from the beginning, to live the consecration of your hearts. Thus, I come throughout the centuries to tell you it is possible for the human heart to be able to create in love and in truth and change the situations of the world, transforming all the darkness that exists into a Light that expands over the planet, the Light of the Heart of God, which is radiated through His Creatures.

**Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:**

I invite you, dear children, to pray this night with Me, so God in His Kingdom may receive the pleas of all His children of this humanity.

Through My blessing and My intercession, I will open the Source of Healing so it may deeply touch your hearts.

Remember, dear children, that today I invite you to Hope, that this invitation remain in your memories. If you seek Divine Hope, nobody will perish, but rather you will rise up from the ground when you fall, so that you are able to continue to walk firmly in Christ.

As I have said to Sister Lucía: a tree that is ripped, which dies through the hand of humankind, is the same as a mother who loses their child; minerals that are assaulted are like a crack that opens in the heart of the Earth; the water that is contaminated is like the purity that is lost in hearts.

Thus, dear children, I invite you to pray with devotion for the Kingdoms; because they are a part of the Supreme Life on Earth, and through them, dear children, you will also find Truth and Love.

Let us pray the prayer this night which I taught you yesterday:

---

*Mother of Heaven, Mother Earth,  
Intercede for us and for the Kingdoms.*

*Amen  
(11 times in Portuguese)*

---

Pray now, dear children, for the Marine Kingdom in the Pacific, which is extensively dying without anybody doing anything.

As Mother of all elements, as the Most Holy Virgin, I will contemplate the need of these children that are part of the loving Creation of God since the beginning.

Let us pray:

---

*Mother of Heaven, Mother Earth,  
Intercede for us and for the Kingdoms.*

*Amen  
(eight times in Portuguese)*

---

May the Will of God be fulfilled and salvation occur.

Let us pray, day and night, day after day, for your humanity.

Thank you, dear children, for attending to My call. The blessing has alighted in your hearts.

And before I rise up to Heaven and place My Heart in your memories, I ask that on this night, all those who have brought these images, representing My Aspects throughout history, hold them so that I may bless them.

And the Holy Spirit, dear children, will be your Faithful Intercessor in these times, the Great Helper of hearts and of the souls that truly seek to live in Its Gifts.

I will lovingly listen to "The Flight of the Holy Spirit".

**Friar Elías del Sagrado Corazón de Jesús:**

*We will pray the Hail Mary.*

*Our Lady returns at this moment to do the blessing.*

*Prayer: Hail Mary (five times in Portuguese).*

**Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary;**

In the Presence of the Three Sacred Hearts: of Jesus, of Joseph and of Mary; dear children, in your hearts hold the Sacred Family. That Supreme Consciousness that is fully at your service to gestate the new beings in humanity who will celebrate an inner encounter with God in the Kingdom of the Father.

I bless these sacred elements on this night; may they be the perfect symbol of your union with Me, may they radiate the Light of My Immaculate Heart so My Love can expand in your homes and families.

Dear children, on this night, I bless you, in the Presence of My Son and of Saint Joseph, Who have especially come to visit you; because know, My children, that the name of Brazil in the Kingdom of God, means the door of Light that children open to receive the Mercy of God.

With hope and joy, may your hearts be uplifted; and remember, beloved children, that you can always count on Me forever and ever.

I love you and bless you.

Sing "Mary of Nazareth". Lift up your candles so the Flame of the Holy Spirit may permeate your consciousnesses and the Light of God is able to remain in all the spaces of this world.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.
