APPARITION OF THE VIRGIN MARY IN THE CITY OF SÃO JOSÉ DO RIO PRETO, SÃO PAULO, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

I Am the Lady of Heaven, and you are the roses that blossom from My Heart. My promise to humanity is salvation; thus, I lovingly travel through all the cities of the world.

With joy and bliss, Europe prepares to receive Me, because the sacred fire of Fatima will re-emerge and together with Medjugorje, will expand throughout the continent.

In the same way, I have done this in Campinas, São Carlos and São José de Rio Preto, creating the triangulation of the Divine Trinity so that all souls be surrounded by the Light of the Father, the Son and the Holy Spirit.

On this night of glory and of reparation for many souls, My Immaculate Heart is illuminated before your countenances, pouring out Graces and codes of salvation, the spiritual healing that many need in this era.

My Immaculate Heart has lovingly listened to your prayers; thus, My promise of being on pilgrimage through the cities of Brazil will continue to open hearts and new doors for many souls.

I come from Heaven to bring the Merciful Light of My Son.

My hands pour out My Graces over your beings, so you may hold them in your heart and spirit.

Today, I come to announce Myself as your Mediator and Savior. I Am sent by Jesus; I Am the Mother of the Redeemer and King.

My stars have proposed radiating your paths. My feet are on pilgrimage at your side, so that you are able to be redeemed and all find the Love of My Immaculate Heart on the new paths.

Dear children, do not fear because of your offenses; rather, lift them up to the Kingdom of the Creator. Let the power of your prayer be stronger than your errors.

I will be present in each moment of a new prayer, in which each group gathers to pray with Me.

The Pilgrim Virgin has already begun to journey through the world and the great Kingdom of Fatima is glad for this response. Her angels praise the Throne of the Father, because the offerings are being received by God, and in this hard transition which many are experiencing, you can be aided by the ray of Healing of My Son.

Draw close to My Immaculate Heart, be true flowers of light in My Eternal Heart; in this way, dear and beloved ones, you will allow the thorns to be removed from the Heart of God. Many of you, through the prayer of the heart, took on transmuting and suffering for this world.

Dear children, many visionaries and pilgrims, throughout the centuries, have offered themselves for suffering to heal this humanity.

The Sacred Sheet of My Son is open in My arms, so that I can always wrap and heal you in this perpetual service you will provide for God.

I know many will not understand what I tell you today, but My Celestial Light comes to your aid so you can awaken from consciousness.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

On this night I tell you that those who fully trust in My Immaculate Heart can place your families in My hands, your dear brothers and sisters, for I will care for each one of them.

Today I want to tell you, My children, that when you take on a task with the Kingdom of the Heavens, My Heart takes charge of your lives and deeply takes care of each of your souls, trying to heal and free all that is not moving toward the Light.

Thus, today I want you to know how important it is to trust in My Immaculate Heart, how important it is to fully surrender your lives; for when you place yourselves in My arms, just as the Child Jesus did, I lift you up toward the Kingdom of the Heavens, and I place your souls at the Feet of the Creator so He can bless them.

Thus, today I tell you and I ask all those who come to Me with intentions about their families, all those who suffer because evil enters their homes, that you trust in My Heart and that, through the life of prayer, you give Me your hearts a little more each time; for in this way, My children, nothing will remain unseen.

As I told you today, I Am the Queen of Liberation, She Who has the power to touch your lives and transform all the evil that dwells in it. But it is necessary that you give Me permission to do so, that you declare to the universe that I have the authority to act in your lives; for from the moment that you say 'yes' to Me, nothing else will be able to stop Me from reaching your homes, that I enter your hearts and definitely lead you to My Kingdom.

Today I do not ask you for perfect lives; I ask that through the simplicity of your hearts, you are able to live a life that moves toward the good, toward fellowship, toward a charity of the heart, one that allows you to live as brothers and sisters on this Earth.

My children, with My Presence, I want you to discover the Living God within each being, for in this way, you will be able to draw Divine Life toward this world. As from the moment you learn to love the imperfections of your brothers and sisters, and to find a reason for profound love and profound joy in your fellow beings, you will be walking ever closer toward the manifestation of the Plan of God.

Today I want to tell you that all the Celestial Mysteries are revealed in simple acts of love that are not in the books, that you will not find in difficult theories, but rather will discover in practice, in charity, in fraternity and in service, in the daily prayer that draws you closer to My Kingdom.

My children, note that what I ask of you is so simple that if you act in a true way, you will find a quick path that will lead you to My Kingdom. It is only necessary that you have the will, that you have brave hearts to defeat the inertia of this world, an inertia that stops you from acting in such simple matters, such as in the prayer of the heart and the small acts of charity for others.

My children, I hope that on this night, My Presence has touched your hearts, because My Immaculate Heart shines before your eyes, and those who truly want to see Me, if you seek Me with the eyes of the heart, you will find Me shining, you will see My smile that lights up your lives on this night and erases all evil from your hearts, all the pain and all the suffering you have experienced up until today.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I will come into your lives as many times as you will allow, for great is the need of salvation of the world and that the Great Divine Project of God be accomplished through the new groups of prayer which, century after century, have sustained this humanity.

Today I invite you to enter into the fire of My Immaculate Heart, for there I will be able to transform you and feel you to be very close and help you to walk on this infinite path.

I bless all the children who consecrate themselves to My Immaculate Heart.

I bless these images that will travel through many homes, opening doors to prayer and forgiveness.

I thank you, dear children, for responding to the call of Heaven.

Remain in Christ forever.

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

Let us sing "Our Lady."

Will we let Our Lady take care of us? We'll see.

We will share with you some movements during the Apparition, because we know it's important for everybody to learn in this cycle, in this planetary time, how the Divine Messengers approach us.

So, we are going to ask Friar Elías and Sister Lucía to tell us some things.

Friar Elías del Sagrado Corazón de Jesús:

Before the Apparition of Mary, the angels that accompany our Mother came to this place and began to baptize many souls.

Those souls went by the altar and the angels, in front of the portal that our Mother opened, baptized many souls with the Blood of Christ. It was an act which served as reparation and reconciliation. It was a symbolic event that was being shown to all of us, but it was also a very reverent practice that the angels carried out with many souls.

At the moment when Our Lady came, She manifested as the Queen of Peace and also as the Mystical Rose.

She spoke to us today about the three roses that in this Apparition were budding from Her Heart. She aspired that each of us, through prayer, could be part of those roses, could be petals of Her Immaculate Heart, and that we cease to be thorns in the Heart of God.

Today, Mary radiated Her serenity and Her patience to all of us.

Today, She closely observed our hearts and our intentions, and in light of what She saw through Her eyes, said something like this to us:

"Dear children, do not worry; God accompanies each of your hearts. I am here to be your Mediator before God.

Dear children, do not worry about your problems. I come here, to meet with you, to be able to heal you.

Dear children, everything will always be alright when you unite with Me in prayer."

And on hearing these very beautiful words, through Her Voice, She was transmitting serenity and Maternal Love to us. And She was showing us how, through Her Verb, She strengthened our lives, and that She is that channel which brings us the Mercy of Her Son.

Today, we experienced a deep act of reconciliation with Mary, and She not only contemplated you, but also your families.

Sister Lucía de Jesús:

Today, as Mary announced to us this morning, She carried out a great task of liberation with all of us and with this city, in a way different than other times. So that you all may understand, in other Apparitions, when Our Lady carries out a task of liberation, She sends Her Angels and Archangels, that begin to work in all of us and go to different points in the city to carry out a task.

But today, Our Lady worked in a different way. As we could feel and as Friar Elías said, She came with an energy of profound peace, of serenity; and from Her Immaculate Heart, which was exposed, radiated a light blue light, that clear blue, which went expanding all over this room.

As that Light touched each of us, in a very harmonious way, it began to free us from negative energies, and in the same way, it went happening with the city, especially in the places that are close by, where we are today. It was like a wave of blue Light that carried away everything that was darkness.

Our Lady was carrying out this task, with a smile on Her face, radiating a very deep serenity. And as Friar Elías said, She worked today in a special way with our families.

She was showing us that many of those present here today, as well as those that follow us on the internet, are experiencing many problems with their families that stops them from taking a major step. And today, the Virgin Mary was speaking to us, inviting us to take another step, to be confirmed in the consecration to Her Heart; because it's in this way, when we have the courage to surrender our lives to Her, that She can fully act in our families and intercede for all our needs.

Friar Elías del Sagrado Corazón:

To finish, I wanted to tell you that I remembered something Mary transmitted to us.

She deeply thanked the brothers and sisters from here, from São José do Rio Preto, for their efforts with the groups of prayer that are being formed.

And in this way, Mary was inviting us to thus be soldiers of prayer. Because the effect of the groups of prayer would avert many situations in the future, in the world and in humanity.

So, Our Mother was inviting us to continue to become stronger in these new groups of prayer that are awaking. She greatly thanked us for this effort that everybody is making.

Mother María Shimani de Montserrat:

So, prayer needs to be continued so Mary comes back. Remember that She told us today that She will continue on pilgrimage in Brazil.

So, all brothers and sisters sharing with us via internet, who are from other regions of Brazil, pray and ask that Our Lady go to your city, because She is waiting for you to be able to open your hearts to Her.

So go to fervently pray with the heart so Mary can free other cities and other hearts.

Thank You, Mother, for all that You give us!
