APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My silence speaks of all the world, of those who still do not cry out, of those who do not ask God for His Divine Intercession through the Sacred Hearts.

But I have come on this Christmas to bless you with the Spirit of Grace of My Son, Who participated in the Divine Conception of the Child King.

It is that Spirit, dear children, which I offer you today from My Immaculate Heart and from the Light of My most pure Womb, where universal life and fellowship among all beings are being gestated.

Today I am inviting you, dear children, with the cry of My Heart of a Mother, to not give up, to continue onward, working for this Project of God, which is infinite and endless.

If your steps are taken toward the Heart of My beloved Son, if your inner Christs manage to manifest in these times, many more souls will come to My meeting through the groups of prayer.

In this time, and for this part of the Americas, My Son came to institute true groups of prayer, the true principles of the Light-Network that are based on transparency and faithfulness to all that My Son offers you, through His infinite Mercy.

But if those pillars are not firm and you still do not separate from all that happens around each group, many could suffer because of being distant from the Principle of My beloved Son. My Son founded you as His Arms and His Hands, as His walking Feet that go in search of all lost souls.

Thus, on this Christmas, dear children, the time has come for renewing the principles of the Light-Network, so that you not only are of God, but carriers of unity, of the real word, the word of life and of encouragement, of consoling prayer, of the faith that must unite each of your members.

I have participated, dear children, in the events that have taken place in the south of Brazil, through these groups of prayer that I have lovingly assembled, beyond terrestrial life and all forms, to serve for My Project of Peace in the world.

It is as if you, dear children, on submerging in your lack of understanding and doubts, opening the doors to the enemy, turned your backs on Me and did not listen to My sweet voice that calls you to serve; not only the world, but also your brothers and sisters who live side by side with you every day, following this purpose with the hope of concretizing the Plan of God.

What will we do, dear children, when the real things happen in the world? You are carriers of the Light of the Sacred Centers. You are the future cells of that new Order of the Brotherhood that must be expressed on the planet.

How, dear children, will we be able to take care of other things in the world if the littlest and most loved of Mine, in the world, separate from each other because of such insignificant things?

Dear children, I do not want to reveal how God truly feels about these things, in light of all the Sacred Knowledge that was lovingly given to you in your lives.

Truly, dear children, if you do not unite through My hands, so that I can lead you to travel the path of infinity, your purification will be hard.

Dear children, I do not want you to suffer because of your things. I want you to suffer for the world; I want you to suffer for those who have nothing and do not even receive the Gaze of God, but just the Justice to which the universe daily condemns them.

Dear children, I bring you the universal vision of things. There is no time to lose, My beloveds. The Light-Network must grow and must be formed by new members that will respond to this call to serve the Plan of God, to weigh the consequences, because I will never abandon you, even in the time of greatest darkness.

So open your eyes; not your physical eyes that judge and are indifferent at many times in life; open the eyes of the heart and feel My Sacred Word as a renewing and divine Spirit that comes to bring you hope and the healing of all wounds.

Today I come to open the door to the Greater Consciousness for you. Today I take this time and give you this Message so that things do not precipitate within you when the great wave of purification of the planet comes.

Dear children, through your help and collaboration, many things can be avoided in the world; in this way, as servers of Christ that also belong to the Work of the Divine Messengers, you create the necessary conditions for things not to precipitate day by day.

Thus, dear children, I not only call you to service, but also to an important unity in these times, that must come before your issues and forms so that you may always be able to see the Light of the Purpose.

Each time, dear children, that you are lost in insignificant things, a soul misses the opportunity to wake up, and who takes responsibility for this? When your hearts, being mature, can take sure steps toward fraternity.

Dear children, what is most impossible for the Hierarchy of Light is unity among servers. I do not come to judge you, My children; I want your hearts to be open to listen to these things. How will you be carriers of the Divine Light of God, so that you can reach the suffering souls of the Middle East and the world, if your hearts are closed because of things that are no longer important?

On this Christmas of the Lord, dear children, I need your hearts to be receptive to the Spirit of Christ that, through the work of Grace and Mercy, comes to you again to unify you.

For this reason, dear children, let us pray. Pray with Me at the Thrones of God so the Project may be fulfilled in all the hearts of the Earth, and the infinite aid of the Mercy of God may come through My beloved children who, throughout the years, I have assembled for this sacred mission.

Let us pray:

Sacred Unity of God,
unify our lives,
unify our being,
unify us in profound fraternity.

Amen.
(seven times)

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

And I tell you all these things because God allowed Me to protect those of My soldiers with My own hands who committed to Me since the beginning.

Much will still come, My children, many tests you must overcome, many barriers you will have to break within yourselves before My Son returns to the world and gets everyone ready to merge with His Divine Spirit.

I tell you all these things because the Lord no longer has so many companions on this Earth as He has in Heaven. And the soldiers that I still have I need to take care of because I need you to awaken others through the example of your fortitude.

The Attributes of God are being extinguished on this Earth. Unity, fellowship and love, which should lead the human being to a manifestation of the divine archetype for this race, almost do not exist in the consciousness of the beings of Earth. And one day, My beloveds, you said 'yes' to the living of all these things.

I hold tight to your words and to the commitment you have made to My Heart, because your souls cry out at My Altar so I never allow you to be submerged in the abysses of this world.

The Lord asks Me daily that I be untiring, that I remember I Am the Mother of this Earth, that just as I Am the Mother of Jesus, Who is the perfect principle of humanity, I Am also Mother, My children, of all of you, of those who listen and those who do not listen to My words, of those who believe and those who do not believe in My Presence, because I cannot deny My Motherhood.

Your essences come from My Most Pure Womb, just as Jesus comes from it, and I must care for and protect you always, as I protected My Son.

I must lead you toward sacrifice, to transformation, and although I cannot stop your suffering, as I could not stop the suffering of Christ, I will always be at your side, with My eyes fixed on your souls, with each being of this Earth enduring the transformation that will lead you to a victory of God.

Thus, all I ask is that you trust in My Heart, that you trust in My corrections, just as the Child Jesus trusted, because He knew the corrections also came from God.

The Lord trusted always, since His Birth, in the union of His Divine Mother with the Most High God, and listened to each word pronounced by My mouth, lived each of My instructions, and even being King, respected and loved His Servant. For this reason, I ask you, My beloveds, to imitate the steps of Christ and that, with humility, you listen to My Immaculate Heart.

I wish My armies to grow and that you be fortified in love, because humanity will need your example, will need your love to transcend fear, will need your fellowship to transcend hate, will need your hope and your faith to transcend the anguish, fear and despair in their hearts.

Receive today the Grace I give you, of being before the Spirit of Christ. Let your souls contemplate the grandeur of this moment, and that this grandeur dissolve the smallness of all your problems, because nothing should exist that will stop you from reaching the Heart of God, when the Doors of Heaven open before your eyes.

Feel My Love and My Compassion, because on this night I wish you to grow and mature, so the seed I place within your beings not spend more than a year without germinating. And that, at the next Christmas, Our Lord not only be reborn, but also grow and multiply in the essences of those who never heard My call.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, as an act of piety, as an act of sowing love in the consciousness of humanity, at the request of Saint Joseph, would you be capable of calling that brother or sister you have not comprehended or understood? to mercifully say to them: "Dear brother or sister, I have not understood you. I must learn to love to be able to accept you"; just with that, My Heart will triumph.

Therefore, on this night, I leave you a lesson, a teaching so that you remember what your Celestial Mother, Who deeply loves you, feels about this humanity.

While I call the divine children that I will consecrate today, you will listen to:

"Meeting with Mary in the heart."

I thank you.

I am here to listen.

Friar Elías del Sagrado Corazón de Jesús:

Those who will be consecrated as Children of Mary, please come up here.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Under the spirit of Peace, I bless you, and through the Mercy of My Son, I illumine you so that redemption always reign in beings, the state of Grace that perpetually fills you from My Heart of a Mother.

For this reason, extending My hands over your heads, I pour out My Graces so they may mature as fruit in the hearts that listen to the Mother of God; and that, through the spirit of sanctity, your lives be renewed in faith, because a Child of Mary is one who attentively listens to the Heart of their

beloved Celestial Mother. And just as I had Jesus, on this Christmas, in My arms, I hold each one of you, waiting for you to grow and walk toward your real mission: the return to the Celestial Universe.

I bless you and bless all My children that in this hour listen to Me, in each corner of this Earth, together with your Guardian Angles.

In the name of the Father, the Son, and the Holy Spirit.

I thank you for listening to the Voice of My Heart!
