### APARICIÓN DE LA VIRGEN MARÍA EN LOS PICOS DE EUROPA, CANTABRIA, ESPAÑA, AL VIDENTE FRAY ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, PARA EL ENCUENTRO DE ORACIÓN DEL DÍA 13 APPARITION OF THE VIRGIN MARY IN THE PEAKS OF EUROPE, CANTABRIA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE MEETING OF PRAYER OF DECEMBER 13

In the name of the Father, the Son and the Holy Spirit. Amen.

After the Return of My Son, I will also come as a Sun to give the last blessing to the world, to finish opening the paths for all My children, paths that will lead them to the Heart of God.

This is why He sends His Messenger, He sends the Servant and Mother of God so that, by pronouncing Her Sweet Voice and delivering Her Maternal Message to the world, souls may find within themselves the path of redemption and reconciliation, which is that which humanity lacks at this moment.

For this reason, Our Divine Consciousnesses do not tire of approaching the world so that Our children on Earth may feel our closeness, may feel Our sacred drawing near, full of Love and Mercy, full of Light and Peace for all.

But My Eyes of a Mother cannot fail to contemplate the situation of humanity, which is serious, painful and difficult for all, and in which souls need a lot of spiritual guidance so that they do not lose sight of Divine Will and do not forget the Spiritual Purpose that God established in each one of His children.

This is why We have become tireless with each one of you, My children, so that you may find this definitive path that will lead you not only to the great awakening, but also to the obedient fulfillment of the Divine Will that welcomes you and receives you through the Source of Love and Unity in the Kingdom of the Heavens.

While My Son does not yet come to the world, He sends His Celestial Mother to Earth so that the Voice of the Mother of God may be heard once again, just as it was heard by some of My children in Lourdes, La Salette, Garabandal and Fatima. A Voice that was not able to echo in the end of these times because My Message has not yet resounded as it had been foreseen.

This is why I Am here today again. I Am here again, in this sacred place of the Peaks of Europe, so that you may understand and also perceive that in the silence of the mountains lies the Presence of the Hierarchy, just as it can also be found in the silence of your hearts, at the sacred moment of prayer and liturgy, as well as in the tireless service for others.

These are the attributes and principles that humanity urgently needs in these times, because humanity is losing the sense of perspective, and by losing the sense of perspective, it loses the sense of discernment. And this does not bring light to its paths, does not bring wisdom to decisions, does not bring a firm decision during the next steps that must be taken.

For this reason I Am here, sent by My Son, so that you may make the voice of My Message of Garabandal resound. Because all that happened there was not in vain, all that happened there was not understood because it was not accepted, because there was no openness to the Higher Laws that were active in those events of Garabandal in an impactful and determining way.

But My Message of Garabandal did resound in the simple and humble hearts, because that is where God is, in the simple and humble hearts, in the seemingly unknown spaces of the planet, where innocence and purity can be found.

This allows God to express Himself with His Power and Will, overcoming the laws of Physics and matter through supernatural events.

But the Spiritual Hierarchy does not concentrate itself on phenomena nor on extraordinary movements. Humanity needs them to awaken and understand the Message of the Hierarchy.

This is why I Am here once again so that My Message may resound within you, My children, and may thus open the doors to the Mercy and Grace of God that the world needs.

Meanwhile, My children, I will be very close, accompanying you, because a Good Mother wants you to take safe steps toward peace, because when you are at peace, you will be in fraternal brotherhood.

Dear children, today I take time in this space so that you may feel and, above all, listen to each one of My Words and, beyond listening to them, you may feel My Spiritual, Divine and Cosmic Vibration that brings you the Attributes and Principles of the Source at each moment of Apparition, with the goal being your healing and spiritual regeneration.

Here, on the top of these mountains, I Am gathered with all the angels of Garabandal, bringing My Message of Peace, bringing My Word, but also My Cry to the world so that it may stop the war and destruction, because humanity of the surface keeps opening uncertain doors to evil and it not only compromises its spiritual life, but it also compromises life on the whole planet.

We must still continue to pray with fervor and determination so that the few doors that are still open to the Heavens may remain open, for the fulfillment of the sacred intervention and help that all groups of souls of this planet need, so that they may find the definitive path to the Lord.

I Am at the foot of the Cross of the Calvary of the planet, and I wait for each one of you, My children, so that you may accompany Me at this moment, bearing in your hearts My Message of Mother so that, before all happens, the Grace may exist of reversing certain situations that seem irreversible.

But I entrust you to the power of prayer, to untiring service, to Eternal Love, which transforms and consecrates the lives of the consciousnesses that walk in Christ.

I retreat, on this day, in the prayer of My children, so that you may continue to accompany My Steps of Slave and Servant of the Lord, for this planet, for My children of all of humanity.

In the conception of the next Nativity of the Lord, may the Spirit of Peace and the Good fill the inner nucleus and hearts with the Sovereign Truth of the Universe, which someday will place you before reality, so that you may be redeemed and reconcile with the Eternal Father.

I will pray for this, because I know it is very important and urgent.

Once again, I thank all those who have accompanied Me in this pilgrimage and, especially, I thank all those who live My Message.

I bless you in the name of the Lord, the Creator of Heaven and Earth, anointing you through the Spirit of the Lord, through His Love-Wisdom.

In the name of the Father, the Son and the Holy Spirit. Amen.
