APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I will always bring you hope and the future in difficult times.

One who lives in My Son will never regret it. Their heart will be favored in the Eyes of God and they will always find the key that will open new doors for them.

In these difficult times, dear children, I invite you to persist with the heart. My sacred Mantle of healing is over you and over all those who pray, for My networks of Light stretch out through the world and My children multiply at the call of the Lord.

I bring you My Immaculate Heart as the great emblem. I offer Myself to you as the Morning Star of the world; I will be with you in the times of darkness.

I Am the great Lady Clothed in the Sun, the great Mother of Universal Healing. Happy are those who believe in My favored Presence; for in the time to come, after this world, all will be immaculate in the Eyes of the Most High.

Do not be afraid of getting free of your ties; the time has come for this to happen.

Give Me your lives fully and I will be able to work through you.

Unite in this time and do not allow yourselves to be separated.

My Son wishes to be among you at all times, leading souls and hearts toward the true personal purpose of each being.

My Light makes your eyes open. My joy fills you and permeates you.

I come on this night, dear children, to announce the time of your healing and redemption.

The Aurora has already been shining for a long time and open eyes must recognize the future, which comes from the infinite horizon; when the heart opens to receive it, many reins are untied and hearts achieve the healing they need.

I have come to Aurora to assemble you through the Love of Christ, Our Lord. Today I invite you to unite with His Sacred Heart, on this day of reparation and communion. Allow the Laws of His Mercy to act so your hearts may be clear.

You must purify yourselves, My children; in this way, you will be full of My maternal Grace, which always embraces you and allows you to feel the profound Love of God.

I would like, deeply, to heal many more hearts; but they are blind, they are in the shadows, they live in the darkness of this material life.

I invite you, beloved children, to be forerunners of My universal healing; in this way, My Rays will touch your essences and will expand toward other hearts.

Universal healing is the essence that will rescue you before the Coming of Christ. Do not fear being purified, do not fear to suffer for God. Everything in this time is foreseen; what is in Heaven and what is on Earth. Each day more, with the passing of time, the universe and the Earth are blending and the great moment is drawing closer to humanity.

I come to announce the signs, the prophecies and the mysteries to you, those that many do not know, that will reveal themselves to the world at the right and correct time. And in spite of the darkness circling through the Earth, hearts that hear My call, that pray the Holy Rosary with Me and remember My Immaculate Heart, will always be within My great Universal Sun. I will take you out of the tribulation as long as you allow Me to.

I am here as your Mediator, your Mother of the Graces of the Great Heart of God which beats in this world, assembling the servers for the great final Mission.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

May the tiredness of your bodies not reach your hearts, so that you may never tire of being in My presence, because if you persevere, accompanying Me on this path, I can even make use of your tiredness, of your persistence in the purifications of life.

My children, at this moment, imagine if My Presence were visible to your eyes, if every time I came to the world, all creatures could see Me, would you at any moment become tired of coming to meet with Me?

Today I want to leave you with this reflection, because although your eyes do not see Me, your hearts can find Me, because My Presence here, at this moment, is more real and true than the matter of which your bodies are composed and that composes all life on Earth.

My children, all you see around you will disappear one day, but My Presence will never disappear, not from this world nor from the universe. My Maternal Heart expands every day, and each second that passes in this world, My Consciousness encompasses one part more of the Divine Creation, because all that was created comes from My Heart, despite having been thought of by God.

My dears, I want you to be renewed every day in My Heart so that, in this way, I am able to renew your consciousnesses, because if you are not ready to experience transformation, with so many opportunities given to you, what will become of this humanity, which many times does not know God, which many times has not even heard His Name?

My dears, you who have the opportunity of being at the doors of Heaven, must experience that which all of humanity will one day experience.

Do not feel fear because your hearts are purified today. Do not ever feel fear on not finding the old human being you were for so long. My Presence comes to renew your lives, as it comes to all of

humanity, so that you are able to be new in light of Christ, at His glorious Return to this world.

I know that many do not believe, but the King of the Universe will return. For that, My Voice echoes in the world to prepare hearts and consciousnesses, to prepare each space of this planet, so they may be receivers of Divine Mercy and that, when Justice arrives, hearts are prepared to experience it and to understand the Will of God, which manifests in each thing of this life.

My children, divine injustice does not exist. All human actions generate consequences which must be balanced in this time by awakened hearts. And what I call awakened hearts are those that are before Me, are those that hear My Voice in many places of the world, are those that love Me, that love the Most Sacred Heart of Jesus, even without knowing of His Presence in this time.

My dears, I want to turn you into apostles who renew the ministry of a past time; who are able to give their lives for their brothers and sisters, for the redemption of humanity, for the redemption of the Kingdoms of Nature, which from the beginning of humanity, wait for this opportunity of redemption, wait for the human being to be able to be their faithful example of elevation to the Creator.

But up until today, My children, only the Kingdoms gave an example of elevation, of humility, and there has been no reciprocity on the part of human beings. Thus, I ask that you be able to live what God expects of humanity in this time since the beginning of your creation, that you no longer miss the Graces the Lord sends you, as you have lost them over the centuries.

Dear children, listen to My Voice and allow it to enter into your consciousnesses as well as your hearts.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, tomorrow, I invite you to bring Me a humble flower, which I will consecrate and will be your sincere offering for the peace and redemption of humanity, a sincere offering to God the Father Who will unite you with His Creation, its beginning and its end.

Dear children, today I consecrate you, I bless you. Lift up your sacred objects for the maternal blessing.

God in the Highest and Almighty blesses these sacred objects that represent the sign of life and of redemption for souls that, together as a one humanity, achieve the New Time, waiting with hope for the glorious Coming of Christ.

I bless you in the name of the Father, the Son and the Holy Spirit.

Again, I thank the groups of Paraguay for having responded to My call. God thanks you.

Mother María Shimani de Montserrat:

In these latest Apparitions of Our Lady on the 24th of vigil, She has transmitted very important Messages to us.

After a time of silence during the Vigils, we have understood that the planetary urgency is great and Our Lady is trying to aid us and be with us as much as possible. She has mentioned to us that the more we surrender to Her task, the longer the time She will be able to accompany us and be with us during the difficult times, as She said today.

So it depends a bit on our dedication that Our Lady is able to continue with us for more time.

We will ask the brother and sister if they have something to share.

Friar Elías del Sagrado Corazón de Jesús:

Our Lady has a preference for Aurora. She always feels whole on being here, among Her children of the Community. She always feels a special receptivity; and this does not mean you are different than others, but rather it is a degree of affiliation which each has with Mary.

Today, the moment of the Apparition was different because, in general, when Mary appears, there is an explosion of Light that is expansive.

Today, before She came, a spiral of Light of seven colors appeared, and at that moment, She manifested as the Mother of the Sun. Immediately, from below Her Mantle, many Cherubim began to come out. Many began to climb over us, with so much harmony and so much love that we said: "Mother, what is happening?"

At that moment, from the Immaculate Heart of Mary, threads of green light began to come out, which the Cherubim placed within our hearts; and they were taking out sorrows, anxieties and lack of understanding. For an instant, we saw ourselves all united with the healing Heart of Mary, and within us was generated a feeling of great relief.

Then, Mary began to direct Her Words. At the moment when She said She would walk with us in the darkness, She showed us a vision of Mary walking in the world, among the peoples, guiding many persons toward a mountain; and there was something very significant in that vision; She had a candelabra that lit up that darkness, and went opening the paths so that those who were behind Her were able to recognize the Coming of Christ. She didn't explain anything more about that to us.

Today, She was very happy, because She not only managed to touch our heart, heal some wounds, but also touch other hearts that were not here. She was saying that there are many hearts which are closed because they suffer; for this reason, She was inviting us to be forerunners of that healing.

During the whole time of the Apparition, Mary had Her arms stretched out, supporting Her Mantle, which was green and was over us the whole time. Over us and over all those connected with Her at that moment, She poured out codes of Light of different tones and colors.
