WEEKLY MESSAGE TRANSMITTED BY THE MOST HOLY VIRGIN MARY, IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA

Come to My Heart, just as you are, come with your veils, your miseries, and all your ignorance. Come to me, just as you are, with all pride, vanity, anguish, and pain. Come, because My arms wait to shelter you.

Do not be afraid, My children, of listening to My words, of discovering what is hidden in your hearts. Do not be afraid of walking towards Me, just as you are, because I do not seek perfection, I seek truth, I seek purity, I seek the surrender of your hearts, souls and spirits.

Those who glimpse before themselves a new step, that they will take, but will take with consciousness, with attention, with certainty; will take it with willingness, with the heart lit in profound devotion to God.

In these times, and more on this day, My Heart renews you and propels you, because My hands receive your hearts, and support your beings on this leap that you must take. But before making any decision, feel, clamor for the Holy Spirit, and clamor for My Immaculate Heart, in this way Heaven will confirm to you each stage to be lived.

Those who have doubts, may place them today in My hands, so that I may dissolve them in the certainty of consecrating oneself to the One and Only God, and that those who are steady, that they may strengthen even more the bases of their offer and of their surrender, so that it may be a reason of divine inspiration for other hearts.

Today I invite you to reconfirm yourselves before God, and to re-consecrate yourselves, I invite you to strengthen the heart and the spirit, because difficult times knock on the doors of the world, and the enemy confuses the souls of My children, but those who today really surrender themselves to My Heart, and to the Most Holy Heart of My Son, will see their hearts supported by a Celestial Grace that is the Divine Will.

Today I say to you, My children, that the enemy will only overcome those who fear placing their will in the hands of the Creator, because in this way he may take hold of the frail human will, but if, otherwise, you offer your little wills to God, so that His Greater Will is accomplished, nothing will be able to shake you, because in your lives there will reign a One and Only, and Mighty King.

My dears, I say to you all these things because from this day on the Celestial Universe will seek from My children new steps.

My presence in the world will become more intense, and there will not be a person who will not feel Me, and not only those who accompany Me directly must mature in order to sustain My presence, but that all My pilgrims must be one only being, consecrated to My Heart, so that in this way they are the bases that will receive the first steps of those who encounter Me for the first time.

Intense times will arrive.

Light will prevail in the hearts of those who say **yes** to Me.

I thank you for answering to My Call and for persevering in My Heart.

Mary, Mother of all Graces
