APPARITION OF THE VIRGIN MARY IN SÃO JOSÉ DO RIO PRETO, SÃO PAULO, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the words of the Virgin Mary:

In the name of the Father, the Son and the Holy Spirit. Amen.

Dear children,

As Mother, I open my arms to receive My children, and in this way, I receive the entire world which is so much in need of Peace and Light.

Today, My Immaculate Heart expands and enters into profound jubilation for My children have heard My Call for Peace.

On this evening, I invite each one of you, My little ones, to enter the Kingdom of God. God is very joyful because of your sincere and honest response. May these Graces multiply for those who are not here. In truth, I tell you, dear children, that the Queen of Peace places each one of your essences under My Merciful Rays as a response and gratitude for all my children have given since the beginning, from the first moment in which I wanted to come here to transmit a little more of My Peace to you.

You know, My little ones, that a long time ago, I was in the Middle East accompanying the Passion of My Son Jesus, and from the moment that He gave Me to you, My Immaculate Heart opened to receive each one of My children.

From São José do Rio Preto, I want a profound call for peace and for the good. What I need, my little children, is that this city should change, like others which I have passed through, into a paradise of peace, into a great mirror of prayer that will begin through your prayers, mainly in your families, so the healing of the Holy Spirit may be radiated to your hearts.

Dear children, into My Maternal Heart I have received each one of your intentions and pleas. God has allowed Me to return once again to this city.

For this reason, tonight, I invite you, dear children, to consecrate yourselves to the Heart of My Son. He is most offended in these times and not heard. Through His Merciful Heart, I bring the liberation of your souls, the spiritual healing that each child needs so that the new doors to peace can be opened.

Dear children, you know that I am in this world, throughout the centuries and times, to transmit a Truth that each one must hear. And My main call for South America is to invite you to the path of conversion, and that can be achieved, My children, in the simplicity of prayer, in good acts of charity, in helping those in need, in remembering every day that you belong to the Lord, your only Lord of the Heights.

Today I pour over each one of My children the Immaculate Love of My Heart, so that in these times, you may prevail steady and united to My Heart, together with the Divine Purpose; for it is necessary, dear children, that your hearts open, it is necessary, dear children, that the world change at this time. Your hearts can feel, indeed, that things are not well in these times.

Through my immaculate call, I bring you the Good News and the hope: that the Great Star of this universe, the Sun and the Heart of My Son, will return to the world at the most difficult times, but you must not fear for those times. If your families consecrate themselves as temples of prayer, all will be said, and I will be able to intercede once again for this humanity.

The new flocks of Christ, the apostles of the inner heart, those who will testify to the Coming of My Son, walk in prayer, feel yourselves to be safe on this path. In a little while, problems will be resolved, the Light will descend upon your families because My Eternal Presence will be among you.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

I come on this night to awaken those of My children who committed themselves to Me a long time ago. For this reason, My Heart rejoices in this reunion with your little hearts.

Today I tell you My beloveds, that each of your souls has a commitment to the Heart of God, a commitment you have made since the origin and which you must manifest in this time.

I come to this city to give each one of My children the Grace that corresponds to them, because through each one of you, I will intercede for a different situation in the world.

Only those who said 'yes' to this Plan of Love and of Peace on Earth will become instruments in the Hands of God; through them, when they are in prayer, the Lord will labor in the world and will send His healing and His redemption not only to consciences, but also to all the Kingdoms of Nature.

Today, My children, rejoice in your hearts for being in My Presence, and place at My Feet all those situations that separate you from My Heart. Place between Me and God, all of that needs My intercession, for I will place in My Hands each of your lives, and those of you who have the courage to offer themselves to the Lord will have their lives placed at the Feet of God and will be under His Eyes and His protection in this end of times.

I do not ask you for anything complex, I do not ask you for great works; I only ask that you pray, that you consecrate your lives, a moment of your day to dedicate it to God, to remember that in spite of everything there is in the world, there is a Greater Light that watches you permanently and that waits patiently for His children to return to His Heart.

Today, My children, I come to remove a veil from your consciences so that the Universe of God may rise on the horizon of your lives. A much greater reality awaits you, a greater light waits to be ignited in your lives to balance those situations which are in need of healing and of redemption.

There is no sin in the world that cannot be redeemed, there is nothing, My children, that does not deserve the Forgiveness of God; all that is necessary is that, in humility, you turn your faces to the

Creator and ask Him for Mercy, because that Mercy will descend and will transform each of your lives.

Never lose the faith in your hearts, faith I come to nourish and to kindle each day. And if you pray in your heart and in truth, I will be able to keep it alive while you are on Earth and for all eternity.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I wish on this night that many could see Me, but it is important that you hold My Presence in your hearts. Nobody will be able to take this Sacred Presence away from you, for God is omnipresent, compassionate and generous with each one of His children.

Dear children, before saying goodbye to you, I want to do a prayer, a request, an intercession for the most sick, so that in truth, you are able to heal your spirits, and once again, through peace, be reconciled with God.

My children, know that there is nothing separate, unity is to be found in the depths of your being. Return to that inner place, feel in your hearts the invisible Presence of God. It will not perish, when you simply open the door to It and say: "Lord, I accept redemption". As from that moment, your lives will change and you will give yourselves fully to the Lord.

I will also bless these sacred images which are the symbol of My Presence in different parts of the world; but My true and real Presence is to be found in union with you, through the prayer of the heart. The flame of Purity, the sacred flame of Truth and the Good will be able to be reignited when you pray with Me every day for this situation.

I will always thank you and receive you into My Heart.

Friar Elías del Sagrado Corazón de Jesús:

Mary, our Lady, asks that the most sick approach so they may be assisted.

Mother María Shimani de Montserrat:

In silence, a great deal of silence.

Let us sing "Immaculate Heart of Mary."

With a great deal of silence and very calmly, we will place ourselves here.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

"Kind Father of Heaven,
intercede for these, My beloved children,

who seek the profound healing
of heart and soul.

May the Powerful Rays,
which emanate from Your Most Sacred Heart
reach all of humanity so that,
before the Victorious Return of Christ,
souls are able to rise up to Heaven
and eternally glorify Your Name.

May healing be established,
may redemption be concretized
and that the Divine Mercy be restored
to all hearts
for ever and ever,
and by the power of the Holy Spirit.
May it be so.

Amen."

Thank you, children of Saint Joseph, for having received Me. I thank you. Lift up your hearts to God for you have been born again on the spiritual Path of Christ.

I love you and bless you always.

Mary, Queen of Peace

Friar Elías del Sagrado Corazón de Jesús:

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

Let us sing now, all together, to close: "Mary of Nazareth."

Now we will give a small account of what happened during the Apparition, and if everybody is okay with that, you can stay where you are.

Friar Elías del Sagrado Corazón de Jesús:

Today, as everybody heard, Our Lady came as the Queen of Peace, dressed with a white veil, a light blue Mantle, a pink robe and a golden belt. She was barefoot. She came to this place as a radiant sun, like the sun we know, but more brilliant, more luminous, and She gradually introduced Her rays into each one of us.

Before Our Lady arrived, the angels opened the door through which She descended.

When She arrived, the first thing She did was smile at us, opened Her Mantle a little and showed us Her Immaculate Heart, a Heart that was beating strongly in Light.

At a certain moment, we also saw the Presence of Saint Joseph, Who was in a higher place than Our Lady, and He was blessing, making the Sign of the Cross. Close to Him there were many sheep that accompanied Him and also the Guardian Angels of some of you.

Before the arrival of Our Lady, some angels that were accompanying us manifested. They were strong angels, as if invincible. What we could perceive, at that moment, was that these angels, that were behind you, were being activated as if they were going to begin a new task, receiving an opportunity to be able to guide you.

At the moment when the Mother performed the consecration and healing, Her Countenance shifted and She appeared as Our Lady of Fatima, Our Lady of the Most Holy Rosary. She slowly drew close to you, those who were closest to the stage. And at that moment, Her Immaculate Heart, which held thorns, changed into a Heart with roses, a Heart of blood that was beating strongly and which came out from the center of Her chest to radiate to those present.

When Our Lady did that invocation, that prayer, She asked for the intercession of the Archangel Raphael and He immediately responded.

Between Our Lady and this space many doors opened, Heavens, one within another, from which descended the Light of God that was radiating through Her Immaculate Heart.

During the work of prayer, from the beginning, we also had the company of Padre Pio of Pietrelcina, who was accompanying us and blessing us, praying together with us for this moment.

When Our Lady announced that She would return to São José do Rio Preto, we understood that She was inviting us, on this night, to prepare in prayer as from this day until She returns, which we do not know when it will be, but according to what She told us, because of Her planetary task, She will soon be with Her children.

She also invited us to keep Her Presence in our heart and to believe in Her Presence.

Mother María Shimani de Montserrat:

For this reason, let us prepare our hearts for the return of Our Mother, and while Our Lady does not arrive in São José do Rio Preto, let us pray and accompany Her in all of Her task of pilgrimage throughout America, which you will be able to see and follow through the internet, just like all of you who today are being seen on the whole planet.

In this way, we shall be able to accompany Our Lady until She returns to this city.

We made a little song, a very joyful song to call the Holy Spirit. Today let's end all together, singing this little song so that the Holy Spirit may come to us.

Let's go!

Song: "Invocación al Espíritu Santo." (Invocation to the Holy Spirit)

Thank You, Mother, for all that You give us!
