**MESSAGE OF THE ETERNAL FATHER, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

In the name of the Father, the Son and the Holy Spirit. Amen.

My Presence replicates Itself within those who love Me.

My Voice echoes in those who heed My Call.

I Am present in the desert, as well as in Paradise. I Am present in the falls as well as in the triumphs, but My Silence is that which makes Me invisible to the eyes of those who claim to be powerful.

My Love is like a spear that pierces the human heart, transverberates and illuminates it, making it all for Me. This is why I Am here.

I Am the One Who thought of you, but also the One Who created you.

My Word reverberates in those who live My Message, and even though they may be imperfect, I sustain them through My Life. For My joy lies in those who seek Me, in all those who trust in Me.

To each one I give that which they must learn, that which they must endure and sustain, but I will never give you something you cannot cope with.

Learn to walk through what is best from that which you have attained.

Do not see the universe as empty, but rather full of experiences of love and forgiveness.

I Am the breeze that blows in the morning.

I Am the Sun that rises through those who live in My Faith.

I Am the triumph of Love in those who transform themselves.

In that which is small, I Am Big. In that which is Big, I Am Invisible. This is the keynote of My Humility.

My Signs indicate that I Am always here, and the Rays of My Consciousness embrace those who invoke Me. For in what seems to be a loss lies the triumph, in resignation lies loyalty, in obedience lies fidelity, in service lies the opportunity to love and the opportunity for Me to govern your lives forever, regardless of the battles and the uncertainties.

I need you transformed, just as My Son is. He drank from the Chalice without fear of failure. He surrendered so that all might be rescued, up to today.

His Reign is in the Crown of Thorns. His Will is in My Divine Scepter. His Infinite Love is in all whom He untiringly loves.

What about you, My Children, will you do the same?

Each one has a share with Me in this universe, which I have created with protection so that you may recognize My Love and the happiness I have in being with My Children. This is the reason for My Creation. This is the purpose with which I work and manifest, concretize and accomplish throughout the times.

You were called to live these times. This is why you are here and nowhere else. The Creator Universe guides those who obey.

There is still a wonderful Work to be carried out, even in these critical times, when impunity and indifference try to replace love and unity. However, I will not allow this.

My Name is written in all dimensions.

My Love is present in all beings, even in those who are far from Me. For the Love of My Son will make the cross of these times triumph. And those who cling to the Victorious Light of Christ shall not perish.

Today, I gather you again just as more than 2,000 years ago, when the people of Israel would listen to the prophets and follow the Scriptures.

But now your souls are the new Book for My Son in which He expects to write the new triumph of His Love, beyond all dimensions and consciousnesses, beyond all evil.

And He knows your true names. Before His Eyes, nothing is hidden.

Follow Him where He calls you to go, because this is the time of His Return.

After He returns, His Celestial Father will return. It will be more than the burning bush before Moses, more than the waters that split so that His sacred people may be liberated from captivity, more than the very transubstantiation of the Body and Blood of Christ.

I will come with the Power and Love of the Heavens, more than all praises and songs of the angels, more than the very Presence of the Brotherhood.

My Love, at that hour, will multiply more than the bread and the fish, more than the healing experienced by the paralytic and the blind, more than the very resurrection itself of Lazarus and the dead.

My Love will re-establish the Laws on Earth. More than all elements, I will gather all the Kingdoms. More than at the very Cenacle of the Pentecost, the languages will become one, understanding will bring wisdom and Divine Justice will re-build the Earth, from North to South, and from East to West.

And at that moment, the Cross of the New Humanity will be made manifest. The synthesis will spiritually be completed, and the last veils will fall from your eyes so that you may see Who I Am.

My Love continues to be unknown, but after the Return of My Son, all will be consummated, as it was on the Cross. And the law of suffering will no longer exist, souls will no longer know their pains and guilt, but they will rather be allowed to know the happiness of the Kingdom of the

Heavens, which the angels will show them.

At that hour, the new human being, the new consciousness will re-emerge, because they will no longer be united to the spiritual debt, but rather to the gift of the Heavens.

Build this event with hope. Do not seek it, wait for it, for it will come.

Once again, the hour of My Son draws near. Therefore, it is time to pray with mercy and piety.

Let war and division no longer exist between beings.

Let no one evermore foster the culture of discarding and indifference, not even with the very brother by their side.

Be worthy of the gifts from Heaven, for Heaven and Earth shall pass, but My Message will remain alive in those who trust in Me.

My Heart is full of Graces for all. My Arms are open for those who want to feel My consolation.

In silence, I hear your confession.

Let there not be fear, but rather faith.

Let there not be grief, but rather hope.

Let there not be suffering, but rather liberation.

Let there not be evil, but rather love.

This is My Message for those who will experience the next meetings with My Son, as a unique opportunity to be before the Portal of My Mercy, which shows like the Water and the Blood of Christ.

The One Who rejoices and blesses you and the world for this meeting,

Adonai

In the name of the Father, the Son and the Holy Spirit. Amen.
