WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

After a senseless year of war in Ukraine, after Our Eyes have seen the devastating outcome in Turkey and Syria, after the migratory situation unexpectedly changed due to conflicts and climate change, after seeing how My children in Brazil were washed away by the rains and the earth left nothing standing, I come, once again, to ask you not to tire of praying for urgent causes, because the worst has yet to come.

But if souls would sincerely respond to My call and, during this preparatory Lent, if they would do penance, pray and, every day, before the Blessed Sacrament of the Altar, meditate upon the Sorrowful Passion of My Son and go to confession without fear of punishment, Your Heavenly Mother could assure you that, during the forty days that precede Easter, many situations could be avoided and alleviated.

Therefore, I come to ask the world to reconsecrate itself to the Sacred Heart of Jesus during each day of Lent and that, through a sincere act of repentance, may you allow the consciousness of the planet to once again be liberated from so many unexpected events and episodes.

Thus, the scales of Justice will not be placed upon Justice, but on the balance of the Divine and Unfathomable Mercy, because by the merits achieved by the Sacred Heart of Jesus, souls will, in this cycle of great tribulations, find the inner strength that they need to be able to purify themselves of everything, and thus purify the planet of all mistakes made.

Meanwhile, Your Heavenly Mother, together with the Angel of the Mighty Covenant of the Blood of Christ, will be attentive to the voice of all supplications so that the Eternal Father may miraculously grant the world the end of war and an extraordinary period of peace so that humanity, before the final day, may be repentant and reconciled with the Higher Law of Love.

Finally, I ask you to accompany Me during this Lent, in prayer, preparing hearts for the final synthesis which will happen at Easter.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
