DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Persist! Persist! Persist in responding to My call! Thus I will shelter you in everything! Follow the path of faith that My Son is revealing to you. The world needs instruments that may be able to give themselves to My Immaculate Peace.

Do not fear for the tests of life. May your hearts be strong in prayer so that they may see the Light of God.

With absolute trust approach My Son so that He may be able to transmit to you the compassion of His Heart.

Dear children, as I have told you before, I invite you to persist in faith in these times of changes, through the prayer of the heart.

Everything will be able to be alleviated in your hearts and in the world when larger groups of souls may live prayer in devotion, reverence and faith.

My children, come today to My arms because I want to help you and protect you from everything. Therefore, pray with Me so that God can hear you and, as creatures of His Kingdom, humanity may reach more peace and more forgiveness.

Be loving and brave in this life, because a true disciple of My Son walks for those who do not walk towards God, and serves on behalf of those who do not serve their fellow beings.

May your hearts be seeds for the new, may My Maternal Love shine in you.

Now, My children, it is time to grow and mature in order to be able to face the new time of Redemption, a Redemption that My Son will give to all those who aspire to be His new flock in the world.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
