Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

The Lord brought the world the opportunity for uniting with God, in reconciliation and in love, through the Eucharist.

Thus it was that My Son poured out His Divine Blood to appease the power of the Divine Justice which would come to the world at that time.

The Lord surrendered Himself, as a Person and as Consciousness, so that each soul would have the Grace of finding the path toward the Light again.

For this reason, with each surrender of Jesus in that time, He conquered the possibility of reaching many more souls that would be being withdrawn from the abysses.

Thus, the Eternal Father asked for the concretization of the complete surrender of His Son, so that in humanity, the Project of Salvation could be accomplished, in order that the human consciousness could continue moving forward throughout time.

It is for this reason that the mystery of the Eucharist is so powerful, while at the same time divine, because everything is full of the greatest Love of Jesus expressed to the most sinful souls, and this was possible through His Sorrowful Passion.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
