Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Child,

Do not fear in this time to face the end of times.

We know that humanity is not prepared, but it will be necessary that it practice at this time for that which will come.

This beloved planet will face diverse forms of purification, the majority unknown to surface humankind.

So it is that in this cycle, everything that will happen or manifest will be an intensive preparation with the goal of gaining awareness, so as to know how to proceed and help the souls that will have to go through intense experiences that will generate an awakening and the necessary definition.

For this reason, when in the whole world the intense purification is unleashed, everything that is experienced during this time will help some consciousnesses to be assisted and redirected toward the school and the lessons the universe had destined them to live.

Now the time for experiencing this transition has come, in which, in spite of being intense, those open of heart will never lack the guidance of Our Hearts to thus generate the necessary relief that the soul needs.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
