DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

As the Mother of the Nations, dear children, today I invite you, as I have been doing for a long time, to pray for peace, to work for peace. Invoke the Divine Mercy by means of each prayer of the heart so that it may descend over all My children.

My little ones, on this day of special importance to the Lord, the Heart of My Son is present among you to remind you that now is the time for each one to observe with compassion the need of your neighbor and to see the urgency of your fellow human.

Therefore, My children, it will be important that your hearts concentrate in the essence of charity and of giving so that the Light of Christ may be able to spring from the depths of your hearts.

Humanity still must learn to live the essence of humility. All of you, My dear children, can convert your hearts into precious instruments for the Creator.

Today My Immaculate Heart is also on all My beloved children of Central America, children that I contemplate with much compassion so that the Redeeming Ray of My Son may emanate from their hearts.

Open your arms to receive the Love of the Universal Mother of Graces, so that in this way each one of your little hearts may consecrate themselves to the designs of God. This is the reason of My Immaculate coming towards you.

With My Immense Maternal Heart I ask you: pray! Pray and pray so that all may be able to be each day closer to the Will of God.

My voice comes towards you to announce the moment of Mercy, as if the Bird of the Holy Spirit were impregnating you with Its Gifts and Its Graces.

You can help with prayer so that this Magnificent and Omnipotent Spirit of God may be more present.

I want to teach you to open the treasury of the Heart of God so that you may discover the immense and powerful Love that He has for the existence of each creature on Earth.

In the same way that My Heart of Mother once pilgrimaged with Joseph to Egypt, today I invite you to walk towards the consecration of your hearts.

Remember that I wait for you to pray the Rosary every day, this will bring you closer and closer to God.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
