SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Friar Elías del Sagrado Corazón de Jesús:

Let us sing the Hail Mary of Gounod and we will do a procession to the Portal of Peace, where Our Lady will appear.

While we sing, we will wait for the indication to move toward the Portal of Peace. We will wait, singing, until the moment is indicated.

We will all be well connected to the descent of Our Lady, ringing the bell of the tower, opening the doors of Heaven for Her arrival.

Let us start out, first the row up here in front, then we continue successively until the end, in complete harmony, waiting for each brother or sister to come out of the House, and we will place ourselves outside of the Garden of Mary, surrounding the fence. We will go praying the Hail Mary, the Our Father and the Glory.

By the authority My Son has given Me, I bless this water and this bread, as symbols of reconciliation and reparation with God.

I hope that after having been baptized and communing of My Son, you are able to leave this place renewed, confirmed in the Plan of God for this time on the surface of the Earth.

I hope you confirm yourselves as My soldiers, so that I can also work through your hearts and your lives.

There is nothing more important, dear children, than to persist in faith.

I thank you for responding to this call.

Seek the Portal of My Peace when you need it. I am present here.

I love you and bless you in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Brothers and sisters, today Mary took us to the Origin of the origin.

She told us She was taking us to that Portal of Peace so that we do not forget that through that Portal of Peace, we can find the peace we do not have.

In truth, She said that She represents that Portal of Peace at this time and that our path to find peace will be through Mary.

During the Apparition, we felt a very special protection of the Mother. She was able to work with all of us in a special way, which had never happened before. She worked with each one of us, She took care of our spiritual and inner needs.

For this reason, we invite you to pay attention to this task that Mary did with our spirit today, and to not allow this energy She placed in each one of us to be lost.

She came especially today to work with each one of us. For a moment, She set aside the emergencies of the world to pay attention to us.

What is the meaning of Mary having done this? Why did She ask us to confirm ourselves as Her soldiers? What meaning could this have for this moment? What is the Mother seeing that we must do?

She says that She knows our potential and our possibilities of being able to help Her in this task with peace.

Today we feel that Mary picked us up from the ground. She raised our spirit and said at the end: "Remember always to not lose your joy. Yes, dispel the fear and sadness. Seek the joy that I give you day after day."

Then our Mother asked us in a very special way, for two jars of water and bread.

"That jar of water will be for blessing you," She said.

Mary said that this is a sign of purification for our bodies. And She said that after we are purified, we will be reconciled with God again.

She then asked that we commune of the Body and Blood of Her Son.

It was very important when She asked us for the bread, because She asked that it be bread that had been made here, in the Community. And Sister Amerisa brought it, just as She had requested.

Then Mary blessed that bread and asked that we commune in an act of reparation and reconciliation.

Then the monthly Messages were read which Mary had left through [Sister Lucía de Jesús](#) and [Friar Elías del Sagrado Corazón de Jesús](#).
