TWENTIETH SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, AT 7:30 am, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Everybody arrived very willing to pray and follow this last day of Apparitions of the Divine Mother.

After several beads, when the rays of the sun began to light up the farmstead, Friar Elías stood up and approached where the Divine Mother had appeared.

Then a monk of the Aurora monastery was called by the Divine Mother to speak a few Words to him.

After some time passed, Friar Elías gave us an account of what had taken place.

Friar Elías del Sagrado Corazón de Jesús:

When the Divine Mother appeared in the heights of Heaven, there were groups of angels that were silently praying. They walked in a slow and contemplative way, forming the symbol of infinity. It was a constant and harmonious movement.

In Her right Hand She carried a golden Scepter and in Her left Hand a small Christian cross and a rose.

When She settled over the Orange Tree, a light orange-colored rose blossomed from Her Heart. A few moments later, some saints appeared, praying together with the group, and at the side of the Tree, Padre Pío appeared, also in prayer.

Then, through an intense movement of Light, the Archangel Raphael appeared, a resplendent being of Light in all his silhouette, who presented himself with a sword in his hand, and said:

"My time has come. I am the Healing Angel, the Archangel Raphael."

Saying this in a powerful and magnanimous way, he flew up into the heights of the Heavens, where a circular door of Light and with a light blue energy appeared, surrounded by several concentric golden rings.

The Divine Mother told me to look toward the center of this door, and there I saw a great open Book. The pages turned from one side to another, as if a wind moved them. In that Book appeared several Gospels written in the time of the Messiah.

The pages continued to turn rapidly, until at a certain moment, they stopped and the number 12 appeared. Then the Divine Mother said:

"Chapter 12 of the Apocalypse of John. I want you to read this chapter."

At that moment, I asked Our Lady if what I was hearing was correct and She responded 'yes'.

Afterwards, She began to pray the Hail Mary and asked that every hour a prayer should be carried out and that there be 33 strikes of the bell.

She also told us that the way of establishing the Thousand Years of Peace will be through prayer, and that it must begin to be built from this moment on. This was Her request for today.

She appeared as the Mother of the Divine Conception of the Trinity, with Her light green Robe and surrounded by a Crown of golden Stars.

I Am the Lady of the Infinite and Melodious Vibration, which comes from the Heart of the Universe, from the Infinite Source of God. For this reason, music, which is divine and must be the sound of hearts, opens My channel of Peace and expands My Light. In this way, My Plan of Light is established upon the surface of the Earth.

See how the angels sing and the choirs praise Me, as it was at My Assumption into the Heavens as the Patroness of souls, the Lady of the Angels and the Archangels.

Today, remember this symbol: The Lady of the Angels and the Archangels, so you may understand the Will of God and so that your souls may recognize My Peace, which flows with Love.

Friar Elías del Sagrado Corazón de Jesús:

Now, from Her Chest emerged a three-petaled flower, colorless and brilliant, like of transparent silver energy.

This is the Flower of the Conception.

After the Divine Mother communicated some Words to the brother She had called up, She asked that we all pray the prayer "Blessed Art Thou."

Finally, the Celestial Mother asked that we sing the Hail Mary.

Friar Elías del Sagrado Corazón de Jesús:

The Mother is rising up, but is still present. Gently, let us stand up to say goodbye to Her.

I love you.

Thank you for responding to My call.

Today, in the evening, I will speak with you all.

Today I have come so you may pray with Me, as you did yesterday. At every hour, may a group gather to pray in this place and it be announced with 33 bell strikes, so the essences can shine, those that must be rescued.

Today especially, the prayers will be dedicated to Africa and the Middle East, places where I will need missionaries who are able to take My Peace through prayer and share the tasks of Christ with other brothers and sisters who also will unite with My Spirit.

Today, meditate on the Presence of the Queen of Peace, and you will understand My Presence in Medjugorje. Nothing is separate, everything is a thread of Light that leads to God so that you may be reunited with Me once more.

Today, seek the faith in your hearts so that I am able to labor as the Mother of Peace in all My children, children I need to take to My Kingdom, children you do not know but that are far from the Light, especially those who distance themselves from Me because of not believing in a Maternal Mother and who draw away from the path when they are not surrounded by My Light. I come in search of them in this part of the world, in the Americas, in Uruguay.

Take My Message of Peace beyond the phenomena that will be spoken of, those you do not yet see, but which I write with My Hands in the ethers of Aurora.

May your lives be an eternal communion with Me and may you return to the Father through Me. You are in time, do not allow yourselves to be defeated. Before the bridge breaks, cross over it to Me.

I Am for you, in this place, the Divine Conception of the Trinity, the Spirit of Peace, the Triune Flame of the Spirit, the Original Emanation of the Source, the Merciful Bird which comes to you to give you Love and to heal the ailing spirit.

Peace, Peace, Peace for the Earth, which is asleep.
