**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Beloved children of God, many still do not believe in the true call of the Queen of Peace. Therefore today I ask you and I tell you, little children: come to Me, because if you come, you will be in My Son, you will be in My Divine Peace.

No longer fear for that which still does not change in the heart. It is important, dear children, that your hearts be in immense joy when My Immaculate Heart comes to the encounter with all of you. You are My beloved children.

And the world, what is it to My Heart? Do you know?

I tell you, dear children, that humanity has been blessed throughout time by the merciful rays of God. God does not have rage for the world. God is Love. God is Truth. God is Hope and Forgiveness. God is the Primordial Source of Peace for the hearts. If you, My children, take the steps in the consecration to My Immaculate Heart, I tell you that you will be doing it for all My other children who deny the Celestial Love of God.

Today I come to your little hearts with a small piece of My Heaven so that you may be able to venerate and honor it for love of the Creator of All.

Dear children, this little piece of the Great Heaven is My Immaculate Heart, which must be repaired from all the offenses that It receives from the children of this humanity. But the Divine and Unfathomable Mercy is still present for those who may cry out for this divine aspect of Redemption that My Son radiates to the world.

In this exercise with Divine Mercy you will prepare the path for the time of Justice, for the second saving return of Christ, My Universal Son.

Live in the source of meekness, because thus you will find the path of humility.

Let us pray, little children; pray more!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
