**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My children,

Today I invite you to the withdrawal of your little hearts, to wait for the awakening of the Lord Jesus, My Glorified Son. Remember, dear children, that during this week your lives are being prepared to enter the redeeming doors of Easter, that My Son makes reverberate through the act of the Passion of His Sacred Heart.

Therefore, dearest children, you are now ready to commune again with My Son, the Savior of all souls. To be able to live this sublime act of love for Jesus I ask you to forgive and to reconcile your lives with each one of your brothers and sisters, who are also My children in Redemption.

Dear children, I call you to deeply contemplate today in prayer the mystery of the Resurrection of Christ through the power of Love. If your hearts have already taken this step of Love, My Immaculate Heart will be able to give more life and salvation to many of My children who are very far away from God.

My children, celebrate this Easter as the first Good News that comes in the end of these times, to alleviate you from all the suffering in your lives. Therefore, dear children, the prayer of the heart will lead you to find, on the path, the Presence of My Son, of His Holy Heart of Love.

Holy and venerable be the Angels of the Lord! Because, through the sacrifice that My Son offered out of Love, they will be able to help in the Redemption of the world.

Open the doors of your little hearts and search for Christ because My Son is there in each one of you. Accept the arms of love and redemption that My Son extends to you. Allow your hearts to burn with love for Christ. If this happens, dear children, My Immaculate Heart of Mother will be able to help, through Mercy, the world that is lost. Pray with the heart. Embrace with peace every mystery of the Passion because the time has come for your lives to grow.

Thank you for responding to My call.

In the Good News of the Resurrection of each life and of each little heart,

Mary, Mother of the Divine Conception of the Trinity
