DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

In My arms you will find the refuge that your lives seek so much. I bring you My Peace so that you may live it and imitate it with the heart.

My children, today I invite you to the opening of the heart, a heart that must give itself and surrender itself with confidence to the Creator. Thus, dear children, your lives will travel the pathways that God proposes to each one of the souls: the pathway of love, the pathway of peace and the pathway of reconciliation. In this way, My children, you will be able to find My Son, present in each one of your lives.

Dear children, raise your lives and your hearts to Heaven so that through the holy prayer, the Heart of My Son may be able to call all of those who have distanced themselves from Him.

My little ones, it is the time of conversion, therefore everything will happen according to the Will of God, which you must love and revere.

Dear children, recognize the Purpose of the Celestial Father in your lives, which will be revealed to you when you contemplate with Me in prayer. Many of My children need to reencounter the path because they have distanced themselves from My Son. This is why your prayer will contribute so that, in this time of tribulation, many of My children may be able to be rescued, as you were rescued through the power of prayer.

Cultivate a healthy joy in your lives because the world without joy will not be able to reach peace. Trust the Merciful Love of My Glorified Son.

May this Easter renew your hearts. Be with My Son, the Redeeming High Priest.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
