DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

By praying you will not only find the strength of the heart, but you will also awaken to the Gifts of the Holy Spirit.

Dear children, today I come to invite you to the awakening of the Holy Spirit in each one of your hearts. In order to live in this spirit of peace - the same one that visited Me and the Apostles - you, little children, must allow that the prayer done with the heart may make this Magnificence of God descend. In this way, dear children, you will be able to be impregnated by the spirit of peace while your hearts pray with Me.

Dear children, the moment has come for all of humanity to reconcile itself with God through the unity of the heart with the Holy Spirit.

Beloved children, what yesterday seemed to be a mystery, I want that today be a reality for the world, through the sincere path of prayer. In this way, many souls that are asleep will be able to be polished and molded by the power of this wise Holy Spirit of God.

The Lord invites you to the conversion of the heart and of life before His beloved Law passes over the world. Live the Compassionate and Loving God day by day so that your hearts may be filled by His Divine and Inner Light. A sure path to reach the presence of the spirit of peace is to follow the path of Christ. The Master of Love calls you so that by surrendering your hearts, you may be blessed by His universal presence.

Dear children, many of the so called "divine mysteries" will approach humanity as one last Grace that will come from the Heavens. The path towards redemption is open for each one of the hearts in the world. Reach the source that quenches the thirst and in vigilance let us pray for peace in the world.

Thank you for responding to My call.

Who contemplates you from the Immaculate Heart,

Mary, Mother of the Divine Conception of the Trinity

Eternal Light for the Earth!
