DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Today place your ears over My Heart and listen to the beat of My supplication for souls and for the world. Let us pray with purity and love so that the Father may avail Himself of the humility of all hearts. The first changes that will come may happen in the hearts, when each one of them unites with sincerity to prayer. Do not be afraid of anything. I am with you to show you the exit towards Redemption and Forgiveness.

Dear children, you now know that together we prepare the advent of My Son, Christ the Redeemer. He extends His arms so that your hearts may enter into His Love and His Mercy.

My little ones, the Heavens open up before each one of you so that in the faith and in the devotion to the Most Holy Heart of My Son, hope may also be able to be propagated like a spring of love throughout the world. Therefore, dear children, the trust of each one of you in My Son will give you strength. In this way, the changes of the heart will be able to be manifested through love and peace.

I invite you today to be in My Peace before the path that each one of My children is traveling. For this reason, My dear ones, I call you so that your hearts will be able to be strengthened in prayer and so that each one of your souls may wake up to the true faith of the heart. There is still much to travel in the path of consecration to God, but this path will begin at the moment of prayer in each one of you.

Dear children, you will be guided as hearts through the precepts of the Heavens, such as are Peace, Love, Faith and Healing. Each soul that unites in devotion to My Immaculate Heart, will begin to live these precepts.

Dear children, I only want to teach you how to begin the path of absolute faith in God. Your hearts must come to know the Lord more each day so that His Mercies may be able to reach the world. I will help you.

Thank you for responding to My call.

Love and Divine Peace to all,

Mary, Mother of the Divine Conception of the Trinity
