SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN MALDONADO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 121st MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

Come to My Ocean of Mercy, and in faith walk upon the waters, just as I told Peter. Before His faith weakened, he walked upon the waters without realizing it.

This is what I invite you to do again today. I need the world to walk towards that which is unknown to learn to overcome the fears of everything it cannot control or retain.

I come to teach you the way, because I Am the Way. I have been with you in the Holy Land, and you have been with Me, closer than you can imagine.

How many times did you touch My tunic? How many times did you beg for My blessing in the Holy Land? On how many occasions did you listen to My Voice, preaching and teaching the Gospel? How many of you followed the steps of the Cross of the Lord to the top of Mount Calvary?

Remember all that which you once lived with Me, and have faith, because Heaven and Earth will pass, but My Words will remain in the hearts that believe in Me.

And today I Am here, upon the seas of Uruguay, because I come to fulfill My promise, the Lord is returning and with Him will return all the stars, all the suns and the entire firmament.

Happy will be those who walk with Me until the end, overcoming their own fears, transcending their own obstacles, fully trusting in the Love of My Heart.

Behold the Living Heart of the Master, which beats with Love for souls. It is a Heart thirsty for those who are lost and agonizing. However, My Mercy and the Ocean of My Love are greater than this entire ocean.

I was born for you, I lived for you and for you I died on the Cross; for you I resurrected on the third day and for you I ascended to the Heavens to be able to return to the world at some moment.

In your souls is written the story that unites us, that makes us meet time and again throughout times. I Am by the side of those who walk upon My Path, and My Hand stretches out to bless you in the Love of My Father.

Today, I come with a Message of gratitude for all Uruguayans; for those who work day by day preparing My Return; for those who expect to meet Me face to face, just as Saint Mary Magdalene met Me in the garden of the Sepulcher.

Today I call you by your names, just as I called Mary Magdalene, to tell you that here I Am.

My Presence is unchangeable. My Love is inexhaustible. My Consciousness does not change but rather evolves, just as you can evolve, taking the steps that are needed in these times, in the face of a world wounded and outraged by conflict and war, by cruelty and wickedness.

However, I come to bring you and your brothers and sisters all the hope that exists in the Kingdom of the Heavens, and all the joy of serving God untiringly, doing one's best until the end.

Through this moment, I come to be with you so that you may feel and recognize Me as your Master, as the One Whose Feet were washed with the tears of the holy women, as the One Who was anointed with the blessed oil of the holy women.

My sustenance was in them, and the sustenance of the holy women was in Me, and in this way the White Fraternity was manifested. Today, you are part of this same Fraternity, because we already know each other and have experienced each other. Therefore, do not deter yourselves in that which is material and concrete, nor in that which is mental.

Let your hearts grow, allow them to grow in love, kindness and mercy. May your lives be My gesture of Love for the world, despite the offenses, despite the grievances, and despite the indifferences that you may experience.

Do all in the name of My Love, so that Love may reign in the world and humanity; so that love may return to the hearts that are losing it due to suffering, emptiness, anguish and despair.

May your lives be My example in the world, the example of the untiring Presence of the Lord, Who does not deter Himself, Who does not rest. Because the Shepherd works for His flocks so that all may attain the spiritual goal that is written in the profound essence of each being.

I wish this year that begins to be a year of greater agreement, hope and peace. May you recognize one another as brothers and sisters on the same path and of the same Father Who is in the Heavens. Because I Am the Lord of Israel, and I come to remind the whole world of the Call of God.

Stop chaos, stop conflicts, dissolve disagreements.

Love one another, just as I love you.

Live just like I live, and the Truth will free you forever.

Upon these oceans, and even more, within your hearts, the Lord finds rest today. Because I want to be within you, just as I hope you want to be within Me, in communion with infinite life, in union with the entire universe.

In this Marathon, let us pray, companions, for this to be a year of greater hope, peace and justice, so that love may replace revenge, so that peace may replace hatred, so that good may replace evil, so that unity may replace indifference, so that forgiveness may replace error.

Let us pray for peace to be achieved in the world, as well as the end of war, of all wars in their different manifestations and forms, so that souls may attain relief, healing and redemption.

I gather you in the name of Grace.

I thank you for being here with Me, in the simplicity and humility of the spirit. Because there lies God, in the simplicity and humility of the spirit.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.
