### **DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Peace begins in the life of your hearts. Today I invite you to propagate peace over all life on Earth, radiating hope and compassion to all those who need it.

Dear children, the world is at its time of transition, for this reason we must pray with fervor from the heart so that God the Father may illuminate all creatures with His Mercy. To reverse the negative actions of the world, you must be sources of love in each moment of life. In this way, you will be crystalline instruments and God will be able to make use of you so that the plans of Love and Redemption may be fulfilled. You will be a good instrument when you seek the emptiness of all. In this way, the Source of Mercy will pour Graces over all souls.

Dear children, you are being called to collaborate in the salvation of souls and of the world through the imperious strength of prayer and devotion. In this last hour, all hearts will be able to ignite themselves in Light so that many souls may receive the Grace of the Intercession of My Immaculate Heart. As Mother of Graces, once again I want to see the souls that have fallen being born. I bring to all the gift of the conversion of life so that it may convert itself into a Gift of God.

Dear children, aspire each new day to live in My Heart so that My Mantle of Peace may expand itself over the whole world. As the Messenger of the Good News, I leave today in each one of your hearts the Grace of forgiveness. In forgiveness, wounds are healed when the soul cries out for Divine Light. There, I will be among you, to radiate to you My Compassion.

Those who still have not forgiven, do so, because Divine Mercy will be bestowing this infinite merit of the Creator. The more beings who are forgiven, the more My Plans of Peace will be propagated throughout the world. Live in forgiveness.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
