DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Through your visit to the Shrine of Kibeho, new inner shrines have been elevated in honor to the God of Love. This action was able to be realized in the essence of all of the souls that for so long waited for redemption as a result of the prayers of all of My children, and mainly, through the presence of the spirit of fraternity between the cultures of the Americas and of Africa.

In this way, beloved children, the Universe demonstrates to you, through this mission of peace, that there are neither differences nor barriers between the souls that are united to the great Spirit of God.

For this, children, I went to Kibeho not only to avoid the genocide, but also to remind your civilization that, from the beginning of this world, all of you have been a single race, filled with the Love of God, despite the grave injustices, and full of His Divine Mercy, notwithstanding its constant mistakes.

In Kibeho the Lady of the Divine Word descended in order to awaken redemption, and also to remind in that time that despite the difficult situations, cycles of peace for the world would come.

Now that you, missionaries of Mine, will leave Kibeho filled with the love of your Heavenly Mother, and internally touched by the devotion of the people of Rwanda, I say to you to go ahead, without seeking results, but rather delivering more each day, moments of shared service.

In this way, My children, I will be able to work through the detachment of your hearts and together you will learn that unity is the truth that constructs the bridges towards the infinite.

Your Most Holy Mother prepares Herself now to arrive to the people of Uganda. Souls of this region keep the history of abandonment and of absolute oblivion of the brothers and sisters that there exist. For this reason My Son has sent new missionaries from different parts of the world so that, by means of love and of service, the bases of hope and of trust that many Ugandan children lost may again be built.

If the world became conscious for an instant of how other brothers and sisters are, the Universe would have already poured Its Mercy, but soldiers of light who are willing to provide relief to the eternal suffering are necessary.

I thank you for answering to My call for peace!

Who prepares you to keep serving from the soul and the heart,

Your Mother Mary, Rose of Peace
