DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My children,

Today I invite you to remain in the Kingdom of the Heavens as the only aspiration to be awakened in these times. Your hearts must look towards the horizon of God and thus, witness the coming of His Kingdom of Peace to the Earth.

Dear children, with your gazes directed to the Heavens, I call you to intercede for all My children, asking for mercy through the fervent prayer of the heart. This will be a simple act of love for humanity, coming from each one of your hearts.

As Guardian of Faith in the hearts, I live in the perpetual hope that My Immaculate Heart has for the conversion of the world. Little children, you are participants, in this time, of the cycle of salvation that My Son promises to all the children of God, especially those who live in fault.

The Source of the Mercy of Jesus is still being poured upon the world. It is enough that more hearts believe in this Ministry of My Son for the Grace to be able to descend over humanity.

Therefore, go and tell everyone that My Son wants to help and consecrate all the children of the Father as new sources of life for this world in pain.

As Marian soldiers united to My Immaculate Heart, I ask that you respond to the great call that My Heart pronounces to all of you, a call to accept the remaining time of Mercy for My children before the time of Divine Justice comes.

Dear children, you are in My arms as well as in the Heart of God. Live this time as a time to pray more and more with the heart.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
