DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I invite you to consecrate your lives as a gift to God, being flowers at the feet of the Creator. Carry the joy of serving Him on your faces and, in harmony, manifest the Love of My Son. Live under the Source of the Love of the Savior and, as good and humble instruments, radiate the peace of the heart.

Know, dear children, that despite the way the world behaves before God, My Immaculate Heart makes you participants of the new path that I want to reveal to you, the path of love and forgiveness.

Remember that you serve out of absolute love for God and that My Son calls you to drink from the Fount of Mercy for all those who easily forget the importance of being in God. For this reason, My children, each action of life must be consecrated to God and you must work under this spirit of peace.

Many will receive, in due time, the last call of God, the Father of the Universe, and one of His warnings will be given through the voice of My Immaculate Heart that comes to the world to elevate it as a consciousness and as a heart.

Be good disciples of My Son, be true messengers of His Divine Mercy. The Divine Hour marks the moment of making use of the Forgiveness of God and of reconciling yourselves with your dear ones. Each act of forgiveness attracts the original purity towards your hearts. Life becomes luminous before the throne of the Father because in it there is a new dwelling, a dwelling visited by the Compassionate Love of My Son.

Search for purity in order to begin to live the Immaculate Peace of My Heart.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
