APPARITION OF THE VIRGIN MARY IN MONTREAL, QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE MEETING OF PRAYER OF JUNE 13

In the name of the Father, the Son and the Holy Spirit. Amen.

Today, as the Lady of Amparo, I meet you at this sacred place of Canada, a sublime place of the Science of My Mirrors, where all souls of the world can see themselves reflected in God.

This is the mystery that reveals itself before your eyes. This is the secret that rises in hearts because not only God, through His Creation, but also His Immaterial Presence, through the simplicity of life, wants to demonstrate to you His Divine Love.

Today I bring you to the school of My Inner Mirrors, precious instruments of the Science of God, kept in the precincts of His Creation on the planet and, especially, in the most absolute silence in Canada. Because the Science of My Inner Mirrors exists to heal and redeem humanity, and also to help the Kingdoms of Nature with compassion and love.

Today, I present this space of God to you so that you may contemplate it not only through your eyes, but also through your hearts, so that you may be permeated by the Laws of Healing, Harmony and Peace that presents themselves here. The Laws of Healing, Peace and Harmony that the sacred original peoples knew and lived through their contemplation of Creation and life.

It is these principles and attributes, kept as treasures in My Inner Mirrors in Canada, that will be given to the coming humanity, so that all human consciousness may be regenerated and repaired from the constant outrages of war and suffering.

This is the space offered to the spirit of each being so that it may regenerate and heal. This is why today I present it to all My children, so that they may also feel the embrace of God through His Creation and their lives, so that even their cells and atoms, including their own DNA, may identify again the Laws of Healing and Harmony, necessary principles for the emergence of the New Humanity.

Be aware that for each child of Mine an Inner Mirror is kept here, which identifies them and allows them to recognize themselves as Children of God, which even allows them to recognize their cosmic and immaterial origin.

Thus, My children, see how great and how deep is this service of the Kingdoms of Nature for humanity, because they were manifested to serve you, to sustain you in your tests and crises. They were created to liberate you from every spiritual or even inner prison. Thus, you will be able to understand that the Laws of Healing and Harmony for the planet are also at the disposal of souls and the inner worlds.

Imagine for a moment, My children, in how many places on the planet similar to this one there are also Mirrors of the Mother of God, of Mother Nature, and how infinite is the Science of the Healing of God, based on His inexhaustible Compassion and Love.

All has been given to humanity, all has been given so that each one of My children, before the presence of the Mercy and Grace of God, by means of My Inner Mirrors, may regenerate, heal and redeem themselves, and mainly, dear children, so that souls may continue forward, overcoming themselves, taking the steps that are necessary at this moment of the planet, and basing the spirit and purpose of their lives on the Sacred Attributes of God by means of His Creation.

Be like a peaceful mirror of water that radiates light and harmony.

Be like a tree that elevates to find the Light of the Wisdom of God.

Be like a bird that sings every morning to proclaim its gratitude to all of Creation.

Be like a deva that watches and guards the immaculate spaces of the Nature of God.

Be like an angel of the Creation that guards and protects the pure spaces of God and prays in its most perpetual silence, so that all the Kingdoms, including the Human Kingdom, may attain its state of evolution and awakening.

My Inner Mirrors in Canada foster all this. Do you now understand the importance that this country may also be protected and also sheltered by the Mother of God, just as it is also protected by the original peoples who have lived here since the beginning?

The doors are open to a new time, to the time of commitment of each soul and each heart, which are directly or indirectly attracted to these sacred spaces of God so that, on the inner planes of the Divine Consciousness, they may live their process of healing and regeneration.

Feel purified and liberated.

Feel My Maternal Spirit of the rebirth, the emergence of the New Humanity, of the manifestation of the last Christs, who have committed to My Son to serve Him until the end of times under any condition.

Do not forget this. Your commitment was given, and is now consummated.

The wish of God cannot be erased from the heart of the universe, just as My ardent wish cannot be erased from your hearts.

I bless you and regenerate you through My Inner Mirrors, the Inner Mirrors of God. Be in peace.

Hope has not ended, because My Son will return and thus it will be fulfilled just as it is written.

I am the Mother of Amparo.

I thank you for responding to My call every day of your lives.

It is incalculable for the Creation that souls may respond to the Call of God despite everything.

In the name of the Father, the Son and the Holy Spirit. Amen.
