SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SECOND DAY OF THE 130TH MARATHON OF DIVINE MERCY

Contemplate your Lord, bound by His Feet and Hands in the feared and sorrowful square of flagellation, where the cruelty of the executioners set them apart from all union with their own divine essence; because in a similar way, some inner situations of souls leave Me subjected at this moment.

Sometimes, souls forget that I Am all Mercy and that, in the Sacred and Sovereign Name of My Father, I would be capable of making any offering again for Mine, just as I Am making at this moment.

Look at how the Lamb of God is today, the One Who was condemned and sacrificed for all sins of the world.

Before your eyes, behold the universe of the Love of the Living God, which returns at this moment of personal and planetary crisis to give life, light and hope to that which would now seem half-dead.

Oh, if souls dared to come to know and submerge themselves into the abyss of Light of My unfathomable and infinite Mercy, surrendering to the humility of My Heart, many, many situations would change overnight!

The Lord comes presenting the square of flagellation so that you may remember that I continue to pour out Blood and Water for all souls of the world; so that, before the end time, as many hearts as possible may come to know internally the ocean of My consoling Love, before the favorite door of My Mercy closes to the world and the wise and sacred door of Divine Justice fully opens; the door that, at this time, represents the fundamental spiritual principle for correcting humanity through its reentrance and attunement with the Higher Law of Love.

Look, just as I look, at the sorrowful scenario of the world. The events announce the coming and Return of Christ, when the sacred and divine intervention will act to prepare this expected and unknown moment for all.

I want and wish, from the innermost depth of My cores of Mercy, that the planet and humanity may recover peace, which has disappeared from many nations and peoples.

This moment of prayer offered by hearts grants the intervention of the angels in the face of the darkest and most unknown scenario of the planet. However, the strength of faith of the devout hearts and of those who, in this time, practice that which I taught you in the first Message of this current moment of Marathon of prayer, will facilitate that vast populations and many families may no longer be embraced by conflicts, by unexpected effects of nature, and by that which no one on the face of the Earth could imagine.

For this reason, I come as a Watcher, a Guardian and a Steward of the Higher Will, which needs to be fulfilled and concretized in souls, in all those who confirm their vows before the Plan of God

every day.

This is the moment expected by the Eternal Father so that each creature upon the surface of the Earth may be and represent an extension of Mercy and Pity, which are so necessary to humanity.

Remember that which I asked of you in the first Message. And now, more than ever, submerge yourselves into My last Instructions.

I thank you for keeping each one of My Words in your hearts.

Who blesses you,

Your Master, Christ Jesus
