WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children:

By your efforts, you will be rewarded in the Kingdom of Heaven.

By your persistence and faith, you will be guided to the Purpose of God.

By your renunciations and sacrifices, you will be sanctified.

By your truth and transparency, you will be strengthened.

By your tireless and immediate service, you will be blessed.

By your self-divestment and self-emptying, you will be transformed.

For there is nothing that is unattainable to God. He, through His Will and above all, through His Paternal Love, can renew all things.

Fix your gaze on the gift of Christ's Heart; on that Heart which, being human, was capable of giving His life for His friends and brothers and sisters.

Would you be capable of giving your life for your friends more than for your loved ones?

Dear children, in the example of My Beloved Son is found the inner path that each one is called to walk; but He will never force you because, in His divine dignity, Christ respects the decision of the children of God.

But Christ always keeps that door open so that you may live through the Love of Jesus; just as Christ hopes to live through each one of those who, day and night, in spite of the storms of these times, confirm themselves to the Lord as His last companions of the inner apostolate.

Christ could do much more, through the openness and readiness of souls. If souls were aware that Christ could do much more in those who surrender to Him, the scenario of these times would be different.

For this reason I am here, as Your patient and loving Mother, in order to fulfill in you the aspirations of the Lord.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
