**MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, TRANSMITTED BY MOST HOLY MARY, QUEEN OF PEACE, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

May you today awake to the essence of My Plan of Love. May you today comprehend the greatness of the path on which I placed your feet, so that your souls would not get lost from God.

My mantle of light is woven in the invisible of this world and My Heart unites the different expressions of the Kingdom of God on Earth.

Dear children, even if your eyes cannot see, open yourselves to comprehend with the heart that I Am the same in all of My manifestations in the world and, although for each of My armies I have a perfect plan, on these times, I come to unite in essence and in the heart all of those who answer to My Call, no matter where they may be.

Because it will come the time in which the circumstances of this life will need to find hearts strengthened by the spirit of Unity; otherwise, My children, My plans will not be able to be fulfilled.

I gather you in this time, as in all the others, for a greater purpose, for a universal purpose, but very few could comprehend what I have brought to you as a Message of Salvation and of awakening.

To Medjugorje, I have come to install the spirit of Peace and of conversion in the whole world. Here, to the Americas, I have come to awaken humanity to the true Conception of God and so that all the Wisdom that comes from My Most Sacred Spirit could be given to human heart. As Rose of Peace, I come to give to the world what of most pure exists in My interior, as the last table of salvation for the souls.

I tell you all of this, My dear children, because today, on this day of commemoration, both in Heaven and on Earth, I will not only ask that your hearts rejoice and pray with gratitude and joy. Today I will ask you to deeply reflect about My presence in the world, above all, about everything that I have transformed in your lives and in the lives of so many souls.

I want you to discover in the depth of your hearts the true reason of My presence among you. I want you to open yourselves to unite to My different children of the whole world, not only to Medjugorje, but you must be united, in fraternity and love, to all of the praying hearts, wherever they may be.

Because is through those who can be the most conscious of My Plan that I will build the Kingdom of God and that I will prepare for His Son the perfect path, with the precious prayers of the beings of this world.

Children, if you live in the spirit of Unity, you will be able to give and receive the codes of Light that I placed in My different soldiers. You will be able to gather this puzzle that I have built in the world, with scattered pieces to the four corners of the Earth and that, only through the spirit of Absolute Unity, you will be able to gather and form the perfect draw of God to human race.

My beloveds, celebrate this day with prayers and praises, with grace and joy. Unite to My Kingdom that ignites in light in Medjugorje, in order to redeem and save many souls, but also awake a little more to the essence of My words and do not let another year pass without being able to live them fully.

I love you, bless you and gather you in this cenacle of universal redemption.

Your Mother Mary, Queen of Peace, Rose of Peace, Mother of the World, Universal Mother
