DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I come to help you to open your heart every day, so that in some moment you may reach the wisdom of understanding, of comprehending and of accepting everything. For this, I have a divine insistence and I come to your life to build a consciousness that will be formed by the sacred principles of the Will of God.

Before your life are drawn the new paths. I come to offer to you sacrifice, because it will convert you; surrender, because it will transform you; prayer, because it will elevate you; service, because you will give of yourself, and silence, because in this way you will get to know all of the Mysteries of God.

As I Am your Mother I wish that you may grow and receive the same gifts that constituted the spiritual life of the Sacred Family. In order to reach that state, only give to Me all of your being, and let Me construct that which is foreseen by God. In this way you will be in the Kingdom of the Heavens.

I thank you for answering to My Call!

Who summons you in Christ,

Your Mother Mary, Rose of Peace
