DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

I wait for you every day so that in groups of prayer you may pray the Rosary asking for Light for the world and peace for all My children. I wait for you in prayer so that together with Me you may contemplate the Luminous and Redeeming Face of My Son.

As I am the Mother of humanity, I call you to strengthen the groups of prayer by means of the prayer of the heart and through the reading of My daily words.

Dear children, I want that, by means of prayer, you trust in the existence and power of Divine Mercy. You are invited to remain very close to My Son so that He, as the High Priest, may baptize you with His Gifts of Peace.

In these times you are contemplated from the Heavens and My rain of Graces awaits to awaken in the hearts of all My children. For this to happen, I invite you to deepen into the path of prayer, because God the Father wants to fill all souls with His Mercy.

I will accompany you as Guardian of souls and as Master of prayer. All My little children are called to the time of reparation of the spirit through the power of prayer.

Have absolute faith, and under the Holy Spirit, walk towards My arms; I will comfort you as I once comforted Jesus. I love you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
