DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Eternal Peace liberates and forgives souls from all their faults.

Dear children,

Pouring today the Grace of forgiveness, I ask you: pray with the heart! And pray with all the love that God has placed in each one of you throughout your lives.

My children, live in the Source of Grace that God has granted Me so that, out of love and for your redemption, I may pour it over all of humanity.

Therefore, dear children, pray with constancy and faith so that the Guardian Angels of the Lord may guide you through the new path towards fraternity.

Today I invite you to convert your lives into a pure rose. Do not fear, I am with you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
