APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I Am Our Lady of Carmel, I Am the One, My children, Who for so many centuries has inspired the human heart to a life of solitude and contemplation with God.

I Am the One Who made you cross deserts, hide from the world in caves, so you could meet the Creator of all things and recognize in Him the essence of all life, of all creatures.

I Am the One Who extends My Hand to you and Who, in a very simple way, promises you eternal life in God's Paradise. I Am the One Who protects you and consecrates you with My Scapular of Light, the symbol of My protection and of the commitment of all creatures to Me.

I Am the One Who invites you to silence, to contemplation, to deepen into your own inner world.

I Am the One, My children, Who from time to time renews the offer to humanity for union with the Divine.

Today I come as Our Lady of Carmel, not only because this day commemorates My Divine Face. Today I come as Our Lady of Carmel because I have also seen, on this altar, the scapulars that you have put there to receive My codes of life and thus protect new souls. I want those who placed these scapulars on the altar to come here.

Today I thank you, in the name of humanity, because you have trusted in My Heart; I thank you as a human conscience, because you are sending a symbol to God that you aspire to live under the protection and guidance of your Heavenly Mother. As Our Lady of Carmel, I bless these scapulars, so that they may be a symbol of the renewal of My protection over the human heart.

Through these scapulars, My children, not only your lives, but also your families will be protected by My Mantle and, just as I promised so many centuries ago, today I promise again that, after this life, I will take you with Me to My Kingdom, so that you may continue learning to meet the Creator and evolve with Him in new worlds.

Today I would like to renew the scapulars of light that you all wear around your necks. Do not forget, children, that these scapulars unite you with Me, and they go far beyond something material that you wear on your bodies. When you wear a scapular, you are announcing to the world that you trust in your Divine Mother, you trust in Her promise and Her Words, or at least, you aspire to trust.

Today, as Our Lady of Carmel, I renew My protection over those nations of the world that still trust in Me, that ask for My intercession every day, that aspire to one day consecrate themselves and be worthy of receiving the Kingdom of God on their soil.

With this scapular on your bodies, children, I will ask you not only to hope to meet Me in another life, in eternal life, but also to build in this world a space of peace, of fraternity, capable of receiving in it the higher life.

Because I love you, I always aspire to consecrate you; therefore, today I will consecrate you again and bless you, so that you may be worthy companions of My Son and build in your families, in your homes, cenacles of prayer where Christ is victorious.

On this day, in a special way, I will bless families, all families who listen to Me at this time, and those who have faith in My Presence will receive My help to unite what is separated and reconcile those hearts that have been separated by the cunning of My enemy or by the mistakes of the past. To those families who trust in Me, I will unite them, so that they may fulfill the Divine Purpose of building the new family, the universal family on Earth.

With the palm of My Hands facing the Earth, I pour out upon you those codes that I achieved in life, together with Saint Joseph Most Chaste and the little Child Jesus. May your families, like Our Holy Family, become sacred and thus recognize that life on Earth must become sacred, because within each human being there is something unique - the Presence of the Divine, of God Most High - who silently waits to be able to express Himself.

With this Grace that I am giving you today, I will ask you, My children, to witness the miracles that I will perform in your lives, not only with words, but also with transformation. I hope you will thank God for everything He will build day by day in your homes. May this gratitude be expressed in acts of mercy, service, charity, compassion and unity with your neighbor.

May you help other families to find God; may you help those whose families have been destroyed, those children who no longer have parents, those women who are alone, struggling even with themselves to be mothers to their children.

With the Grace that I have placed in your consciousness today, carry the motherhood that I achieved when I held little Jesus in My Arms.

Children, why are you crying?

If I give you an absolute Grace, the best there is in My Kingdom, smile as I smile at you today. Today My Heart rejoices with your souls for the awakening of your consciousness. In the times to come, a great mission awaits you, as well as every human heart that, in this time, awakens to the Divine Truth.

Today, may all those who listen to Me rejoice and be glad, open their hearts and lift their souls into My Arms, because in this way, My children, I will grant you a new life, the beginning of a new cycle, and I will wait for you firmly, so that you will be persistent in the face of the tests that will come.

Today I place these scapulars in your hands and I make you an offer, that of responding to My call.

So you may learn that My army must always grow, today I consecrate new Children of Mary, because in truth, My children, souls have already consecrated themselves to My Heart, but sometimes they take time to come to Me, until they understand, on Earth, that they must accompany Me. And on this day, in this simple way, I bless you, I consecrate you and I prepare you for a new cycle, which will begin in August, a cycle for which you must be ready.

I will await you, My children, in this Holy Land, sanctified by My Presence, by the Presence of My Son and of the Chaste Heart of Saint Joseph. May your lives be sanctified by Our Presence every

day, because we are not only here, we are in the home of each person who opens the door to us.

Now, sing as Children of Mary and receive from my angels the Grace of consecration and eternal blessing.

I thank you, and I will raise your supplications to Heaven together with Me. Ask, My children, for what you need most; I will raise it to the Father and place it at His Feet, so that He may hear your prayers.

And because I want the prayer groups to grow every day, I bring together and gather those souls who must pray together with Me, helping humanity and the Kingdoms of Nature, so that they may be saved in time. For this reason, today I will ask that my new praying daughters also consecrate themselves to My Heart.

And thus, children, I thank you for responding to My call and that, in the days to come, you will be at My side. I leave you My Peace and My blessing.

In the name of the Father, the Son and the Holy Spirit. Amen.

Go in Peace and remain in My Heart forever.

Sister Lucía de Jesús:

We want to tell you that Our Lady came today as Our Lady of Carmel, with a white tunic, a brown mantle, Her hair loose, Her Hands stretched downwards and scapulars clasped in both Hands. She came with the Child Jesus and, when She spoke of the Holy Family, She showed us, in a space in Her Kingdom, how Saint Joseph was approaching so that, together, They could carry out a task with us.

When Mary called these four brothers, She did a task not only with them, but with all the families who were listening to Her at that moment; with our families, those who are present here and, as She said, with the families of all those who had faith that She was here, who had faith in Her Words.

Mary, Saint Joseph and the Child Jesus were depositing the codes of the Holy Family in our consciousness so that They could work in all those situations in our lives that need unity, reconciliation and peace.

And then, when Mary called another group of brothers and sisters, She wanted to form a new prayer group and consecrate new Children of Mary, so that we would learn that Her army must always grow. It had already happened once, when there was no consecration of Children of Mary, when She Herself called them; so She has done it again today.

We want to leave in everyone's heart this work that Mary has done with each one of us, to thank you very much for your presence here at the Marian Center in Aurora and also to everyone who has accompanied us through Misericordia Maria TV.

Thank you all so much! Let's thank Mary together.

We thank you, Mother, for all that you give us!
