APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, DURING THE VIGIL OF PRAYER

Tonight, it is my wish to consecrate these sacred images, especially that which will be the pilgrim for many hearts, and that represents My Glorious Aspect in Fatima.

Tonight, I will place My Hands upon it, so that the codes of Fatima may be in the hearts that invoke, through it and by means of the power of prayer, My precious intercession.

Through it, I will radiate the universe of Fatima, the codes of Light that I left imprinted long ago, in Europe. To all those who unite with this sacred image of Fatima, and allow it to visit each home, I promise to pour out Graces upon their families.

All are my dear children, I do not have preference for one over another. My maternal task calls upon all consciousnesses for a higher mission.

My Maternal Consciousness works with the spirit of each one of you, and through My perpetual prayer, through the Holy Rosary and each new prayer that I utter for the world, I elevate each one of My children to the Kingdom of God, so that each one may fulfill the mission they have come to accomplish.

All are children of Mary without distinction, all are precious faces before the Throne of the Father, pure souls that were born of the Higher Source. Seek the unity that exists among your hearts, do not allow the enemy to deceive you.

I come to open your eyes and teach you the path of Christification. I need the apostles of Christ to prepare the fertile soil and sow the new seeds in their hearts; because the Shepherd is coming to the world and will seek your inner fruits, the talents He left with you long ago.

A true fraternal being is one who loves without separations, lives what they proclaim, is an example of charity and humility for all.

Dear children, once again I invite you to the holiness of the heart. I have precious promises for your souls; it is My wish that My rays of Grace may be among all of you. For this reason, on this sacred night, I bless this pilgrim image, which will open the doors to new hearts, and all will find peace, the peace that is lacking within many.

I need you to be firm and brave, so that you may be one heart and one soul.

I come to announce My mission to all My children; however, know, My little ones, that those who say 'yes' to Me commit themselves to Me for a time. For this reason, think about what you decide. You have the great inner freedom to choose. God has made you free and pure, you are as pure as the great prairies of these lands, your essences are as pure as crystalline water.

I want you to be flowers in the Kingdom of the Creator, and that many may cease to be thorns in the Heart of God. He needs to pour out His Mercy upon everyone. Be honest and charitable. Unite to this evolutionary proposal. Unite to My Marian call. I need you, as you also need My Heart.

I open the doors to those who have them closed. The moment has come, dear children, to offer yourselves to God with your hearts and souls. There are many paths of service on Earth, God loves you all equally. God taught both My Son and My Immaculate Heart to love you all.

At this time, We want to proclaim to all the greatness of the Kingdom of the Father. May your hearts open to the Great Call. Everything is where it is supposed to be.

Dear children, meditate upon what I am telling you. I need you to love more from the heart, until this love becomes a holy madness, overflows from your souls and pours out upon your brothers and sisters; thus, the Plan will be fulfilled.

Now, I will bless the image for you, for all groups of prayer that will receive it with love and also for the homes that will open to receive My sacred image.

I Am for everyone. My Love belongs to everyone, because I love you profoundly.

May My hope illuminate you and may the doors to redemption open before you.

Accept My Hand, I will sustain you firmly. A Good Mother will not let you fall. I will bring you, among the angels and archangels, toward the true Kingdom of Peace; an infinite promise for your hearts, after this world.

Thank you, dear children, for sharing this moment with Heaven.

And before you bid farewell to Me until tomorrow, when I will liberate many consciousnesses, I invite you, before you leave this room, to touch this image to receive the codes of Fatima and carry in your hearts My Most Holy Presence, which promises to heal you every day when you open yourselves to the Higher Source with absolute trust and faith, because everything will always be well.

God protects the servants who serve Him and loves all creatures, above all things.

The Universe calls you to serve, the Universe pours itself out upon your consciousness.

My Immaculate Heart offers itself to you, to help you.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.
