APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCIA DE JESUS

Feel My Presence within your hearts. After having announced My peace to the world, I wish to proclaim this peace in each one of your essences.

Children of Mine, tonight My Heart pours out Graces and blessings to the world, because many of My children have responded to My call. Great is the joy of the Lord in the Kingdom of the Heavens due to this encounter of your souls with My Immaculate Heart.

You are precious essences before the Eyes of the Creator. The Lord has waited for a long time for you to be before the celestial portals, so that the Divine Origin may impel you once again, so that you may receive, in this time, the Mercy and the Redemption of My Son, and the reconciliation with God the Father by means of the Presence of His Servant.

Today I extend My Arms to your souls so that you may place your supplications in My Hands. I listen to each one of your hearts.

At this unique moment in your lives, tell Me what you need the most. I want to hear the clamor of your hearts and respond to your requests, whenever they are the Will of God. In your hearts, elevate your supplications to Me; I am listening.

To those who ask for Graces to their families, I will grant them, because in this time, My children, it is the Will of the Lord that all the families of the world may live forgiveness and reconciliation, to express in the future, the archetype of the Sacred Family. Through the Graces I will pour out upon your lives, little by little you will be able to convert them, and you will feel, each day, that My Heart is even more present, dissolving difficulties, supporting your hearts and the hearts of all those who surround you.

To those who cry out for healing, I will also grant it, because it is the Will of God that your spirits be healed and your souls reach redemption in this time so that, before the time of Justice, you may be living witnesses to the Power of the action of Divine Mercy.

For those who cry out for peace, I will grant it, because I want to be next to each of My children, bringing them peace at each moment of their lives. But for each one of these Graces, My children, you must open the doors through absolute faith in My Heart.

My Voice echoes tonight not only in this place, but in every corner of this world. I hear not only your supplications, but the supplications of all My children who, throughout this world, open the doors of their hearts to Me.

Gathered around this Portal of Peace that I open today to conduct your souls to the Universe, I want you to pray with Me for all those who are in the world and do not recognize the Presence of God, but who only outrage My Most Sacred Heart by their actions and thoughts, by their feelings and their words.

Each one of your souls, My children, represent to God an opportunity of redemption for all humanity. Your lives represent, to the Creator, an opportunity for the manifestation of His Sacred Plan but, for this to happen and for this divine aspiration to become reality, you need to surrender your lives to God. And this is not difficult.

I only ask you for a life of prayer, of reconciliation; I ask you to forgive the past, to forgive the mistakes of others and your own so that in this time, you may be reborn before My Presence and be new apostles of the Lord. I do not ask of you, My children, great works of charity, but small acts of love towards the ones who are next to you, towards the Kingdoms of Nature, that are outraged and forgotten by this humanity. I ask you to be simple of heart so that, in this way, you may find the Presence of My Son within each creature.

Tonight, I tell you that it will not take much from you to reach My Immaculate Heart and live the Plan of God for this planet. Just follow the example of My Son, Who has loved each creature as Himself and God the Father above all things.

Tonight, I ask you to be a living example of the power of transformation of God, to allow Him to act in your lives, to convert your actions and the depths of your beings so that, in this way, many others may avail themselves of your examples.

Tonight, I speak to those who are simple of heart, who understand the greatness of My Presence. And this understanding is not attained with the mind, but with the heart, that knows that this Presence is real and divine, and that it comes to transform this world definitively.

Now, My dear ones, in this sacred place, I want to open the doors to Heaven so that they may be permanently open and that, in this place, the Kingdoms find an opportunity of redemption and restoration of their essences. For this, I ask you to pray with Me for the intercession to the Kingdoms of Nature. And, while you do so, I will intercede not only for the Kingdoms, but for each of your souls.

Mother of Heaven, Mother Earth,
intercede for us and for the Kingdoms.

Amen
(repeat 14 times)

Through the simplicity of your hearts, may My Peace be established in this place, and not only the human creatures of this world, but also the consciousness of all the Kingdoms of Nature find here a place of peace, of reconciliation with God, of restoration and forgiveness. Because in this way, My children, this world will be relieved.

I want you, before My Presence, to learn the power of prayer so that, from today onwards, you do not pray only for yourselves, but for the whole world and for all the Kingdoms of Nature.

Now I ask to come closer My children who are willing to respond to My call and consecrate themselves more profoundly to My Immaculate Heart.

To be a Child of Mary is not a merit that you receive. To wear this part of My Mantle is a commitment that your souls make with Me for the redemption of this world.

I have called you so that, in a future time, you may be a living witness that I have come to humanity, that I returned to be among My children, to bring them redemption, to announce the return of My Son Jesus and so that you could recognize Him in the moment His Feet touched the Earth.

Each day that goes by I aspire to consecrate more Children of Mary, but for this, children of Mine, I need your souls to be willing to live transformation, to be willing to live love and not only wear the t-shirt I give you, because it is only a symbol that marks the first step of all you must live from now on.

Those who accept being Children of Mary must also accept living transformation, overcoming the limits of life and of their own consciousness so that, little by little, this consecration may expand to each space of their beings and that, through you, children of Mine, humanity may consecrate itself to My Heart.

Now I ask you all to open your hearts, your souls and your spirits, so that you may be liberated from all evil, so that this divine forgiveness that I bring from the Heavens may permeate your consciousness and transform each one into future apostles of My Son.

I thank you for responding to My call, for trusting in My Presence and for living prayer in each moment of your lives. This I aspire from those who have been before My Heart.

May you continue in peace, under the blessings of the Father and the Holy Spirit.

I leave you My Love and My protection, eternally.

Song: Consecration

I am still present and watching if you truly sing to Me from your heart. Do not forget that I always listen to you, even when you hide from everyone. I will always be present, My children; for this reason, do not waste a moment to pray with the heart, with the soul. I will always accompany you.

Now, sing to Me again, with the depths of your hearts. I will raise to the Heavens the devotion of the souls of the world and deliver it to God to generate merits for the redemption of all those who do not listen to Me and do not sing to Me.
