**TWENTY-FIRST SPECIAL APPARITION OF THE VIRGIN MARY ON THE HILL OF THE APPARITIONS, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 7 p.m., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

*On this day there was a fire on the highway that leads to the Community, so part of the Figueira First Response group was collaborating on resolving the fire.*

*Prayer began with "Luminous Bird."*

*Afterwards, the "Hail Mary" was sung, followed by the prayer "Universal Mother" recited together.*

By the divine power of My Immaculate Spirit, in the name of the Father, the Son and the Holy Spirit. Amen.

See how today the world burns with its own fire. Now do you understand why we must pray?

My Graces are poured out over this place and I have sent My angels to help you, but more prayer is necessary not only in this part of the world, but rather, all over the world.

The races, the peoples and the Kingdoms need help. What more must My Heart radiate so that hearts may listen to Me and trust in My call?

Now I am calling upon you to gather in small groups to pray, so that God may resolve this situation. My Heart is also burning in flames, but of pain.

Now, what should I do? Just pray.

My power is divine and preferred, but I must obey only the Law that is descending upon humanity, I must only transmit to you My Peace, My Faith and My Love, so that you may walk with Me on this path of tribulation, which is drawing closer each day to the lives of all creatures.

Just as this fire burns, so burn the souls that are in the hells, and few pray for them so that I can intercede. It is up to you to pray with Me so that all may be rescued, not only those who are on this surface, but also those who are on invisible planes, those whom nobody even sees or perceives. For this reason, My Heart must reach everybody at the end of this time, so that all may discover My call to Peace in a time of chaos.

Know that the Laws are being fulfilled in all those who do not want to see them, for what is written is taking form. This is the last hour, of which I have spoken about day after day.

You must have My Immaculate Heart as a refuge so that you may find peace and so that you can ignite your hearts through Me.

Today I am transmitting only a few Words to you, because the Lord is calling Me to another task.

Ask My Heart, and I will respond to you.

We are in times of preparation so that when the soul is faced with the beast, it does not fear it. What John has written is not a hypothesis, it is a truth for whoever wants to see it.

But if we unite in prayer, the Law can change the plague in this world, in proportion to the number of praying souls who are able to reverse it together with Me.

God is Just and Kind, but everything must be within His Law. I ask you, My children, to examine your lives so that nothing remains hidden at the end of this time and so that the One coming after Me, descending from the clouds for the second time, may find you in vigil and with a pure heart, as clear essences that must shine to help Me to bring peace to a world that needs it.

Do not fear what will take place, but rather what you have not yet done.

It is time to respond to the great call I am bringing to you here, to this part of the world and to this nation. I know you trust in Me, but even more is necessary, beyond your lives and your purposes, so that you may recognize My immaculate call. I want to lift all of you up to My Kingdom; all of you means all of you, human souls and group souls of the Kingdoms, so that all may receive My Grace, the last one that is arriving in this world.

And before I leave, you will see Me in various places so you may recognize Who I Am, the Universal Mother of the new era, the Bird which brings the solar essence to revive the souls that must pray with Me for the reconversion of the behaviors and faults you have committed against the Lord.

Thus, I bring you My Mercy so you may feel it, and if you open your hearts, I will be able to heal everything. This is My intercession in light of the Lord, before the Supreme Throne that stands before us.

I want you all to be able to receive My call, so that all may hear and recognize the echo of My Voice, which must again emerge in you as essences of peace and of redemption.

The Heavens are judging the Earth, for now is the time.

***Mother María Shimani de Montserrat:***

*The Mother is asking that the Solar Group, the First Response Team, come here, to the circle.*

*The "Universal Mother" prayer is begun.*

I bless those who will go to Africa and to Nepal as My first missionaries of peace. Some of those souls will accompany Me, others will remain, uniting in omnipresence with My universal task.

While all the groups will continue to pray here, after I leave for My Kingdom, I have entrusted you with a task, which will later be transmitted to you; just wait.

*The personal questions for the Divine Mother were asked and She responded to them.*

Thank you for responding to My call!
