EIGHTEENTH SPECIAL APPARITION OF THE VIRGIN MARY ON THE HILL OF APPARITIONS, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 8 PM, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The task started with praying the invocation of the Universal Mother and soon the "Hail Mary" was sung.

Thank you all for responding to My call in faith. Today I radiate to you the Light of My Immaculate Heart.

My dear, dear children, many prayers are many victories for the Lord, and above all for Me, in this task that belongs to Me at the end of time. You have been with Me for many days, and there are still more to go to complete a cycle, which you will understand in this last phase of the world.

I want to give My Graces to all hearts, so that they may triumph with Me at the end of this time. The victory over evil is close, but you must be firm in order to correspond to My Heart, which has been calling you for a while.

My echo resounded in you at several moments. Some awakened to Me at different times, but now we are one and the Creator calls you to fight against suffering; for this reason I am taking you to Nepal. But today, I ask that the other missionaries come with Me to Kenya, Sudan and Egypt, places where My Immaculate Light must permeate the suffering hearts.

You have received many Graces, and now it is up to you to pour them out upon these hearts that I want to reach. The Light must dispel darkness and My Heart must triumph not only on the ground in Brazil, but also in Africa. There, I have many followers of My Immaculate Heart, each one with their own understanding.

Now, you, who are grown, must open your hands to donate yourselves to others as I am asking you. This will be the key to the transformation of your hearts, so that you may find refuge in Me and may correspond to the call of God.

Remember to awaken faith in your hearts for everything that seems unreal, for everything that cannot be seen but will soon be seen. For this reason I call you to share My Graces, so that you may enter My flock, which in these times I am gathering for the last time before My definitive departure from this world, and whom I will receive in My arms next to My heart, so that they may all know where to go and which path to follow.

I want all of you to find peace so that you may walk, so that you may discover the call that I am making within each heart. You cannot waste time, you know it is the last hour; that is why I repeat it today to you. See My angels who erase the books that are full, dissolving what is written to start again within your souls.

This is a special Grace that you are all receiving, both those who are here and those who are not. For this reason, many will come seeking mysteries, but will lose sight of the faith that I am delivering from My Heart. Many Sources of Light will be opened in several parts of the world for all the missionaries who hear My call.

Now I consecrate as My Missionaries of Peace, those who are prepared and also those who are not yet ready. I want you to find the Eternal Light in Me, so you may discover the mystery that I am giving you today as the Mother of Peace, the Bird of Mercy.

Today I open My Arms to you so that you may place your intentions and so that you may remember that I will always answer according to the Will of the Lord. Now is the time to dedicate your life to charity and thus, with Me, we will ease the evil in the world, which is spreading from side to side.

Let us pray for those who will go on a mission, and pray for those who will stay. They will all be in My Grace.

"Luminous Bird" was prayed.

Today I ask you to study all of My Calls soon, since my arrival in Uruguay until now, here, in Brazil, so that you may understand the science that I am gifting to your hearts. There is still a lot to say, yet time is short, which is already drawing to a close. Now let us answer the prayers of the faithful.

May the Light of My Heart penetrate you healing the illnesses which are deep.

Find My Peace and you shall see the Light. Let us keep walking.

Until the next call!

Thank you for responding to My call. Let us remain vigilant in prayer for all hearts. I am the Mother of Graces, the Bird of the Sun.

Keep your hearts in Peace and quiet all conflicts so that My Peace may reign within you. It is moment to free and forgive, it is moment to transcend yourselves towards My Kingdom. There I wait for you in prayer.

Silence and Peace for all the hearts who cry out to Me.

I am the Mother who welcomes all. Come to Me. I will guide you, let us remain together in prayer.

The song "La Patrona" is sung.

Friar Elías del Sagrado Corazón de Jesús:

We want to explain something that happened when the Mother said that the angels erased what was written. At that moment, a group of angels appeared behind Her, each one on a different level. They had some Books open and were erasing with their hands what was written.

At that moment, She appeared dressed in a sky blue Mantle and taking a very shiny rose on each Foot, and She was offering an orandium for us, so that we could pray with Her. Today She seemed happier.

Mother María Shimani de Montserrat:

The angels erasing things from some books means that God is forgiving some debts and that He is erasing them from these Books, from our karmas, some situations.

These are Divine Graces that we can only receive in these times. Thus, these things happen when we take the right steps.

Thank you Mother of God, for all that you give us.
