TWENTIETH SPECIAL APPARITION OF THE VIRGIN MARY ON THE HILL OF THE APPARITIONS, MARIAN CENTRE OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 7 p.m., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Mother María Shimani de Montserrat:

Let us take up our work again, as we do every day, being a single voice, a single heart, and let us set the intention of praying for the souls in need of rescue, with no interest for ourselves, just placing in our hearts that we have gathered here to pray together for our brothers and sisters that are on the planet, in the confusion, in the darkness.

Let us offer the Divine Mother these prayers, as we saw throughout today, holding that intention, prayer after prayer, without reciting, but praying with love.

The work began by praying the invocation to the "Universal Mother."

At a certain moment, along with the prayer, the "Hail Mary" was intoned. Afterwards, just the "Hail Mary" prayer was continued.

Friar Elías del Sagrado Corazón de Jesús:

When She appeared, behind Her Head, a great brilliant celestial star manifested, which spun from one side to the other. She descended to the ground and then rose up to the treetop and began to speak to us, to convey Her Words to us, while behind Her a great celestial Heaven opened where angelic beings crowned Her.

Today I come to announce My Love to you. Carry My Peace and you will find it.

Thank you for responding to My call of faith and to the task of the end of this time. I want you all to feel My Divine Kingdom, which I bring to you today so that you may recognize it and not fear it, because it is as glorious as your lives.

We have been praying together over the last several days so that you may unite in fraternity with Me and My Great Light-Star. I want you to carry My Words with you and that you find strength in My Immaculate Love. Hold My Peace in your hearts for the end of this cycle and each day see My Celestial Light being born.

Today, like a Fountain, I am bathing your hearts so that you may unite with Me and wait for Me in a future call. Many will go on pilgrimage to various parts of the world to carry My Light through charity and surrender.

Remember the 72 that Christ once formed for this time. The moment has come, and it is time to transcend the illusion that dwells here. Through prayers we are achieving this, but remember that, if you unite with Me, I will be in you to guide you.

Today, I leave My Mystic Rose upon your hearts so that you may see My Sacred Spirit that permeates you once again. When I asked today for the reading of the chapter from John, it was so that you could understand that we are in this time, a time of revelation and of peace, although the world is upside down, taking its steps backward.

I am here to help you, to show you the path of Light, which is opening to your lives. Carry My emblem of Peace upon your hearts, so that all may see it through the souls that pray with Me to give Light to the world, for it needs it.

Today I bring you the Light of My Kingdom so you may hold it in your hearts and so you may always seek it, in spite of everything. I illuminate your paths with My twelve stars, together with MIRNA-HE, so the Greater Spirit may guide you and re-baptize you in union with Christ.

Seek inner silence to understand what I am telling you. Do not focus your thoughts on other matters; just watch over My Peace and be vigilant for It.

It will be necessary for you to carry what I have been giving you, throughout these days, to other hearts; it will be the way in which you will confirm yourselves to Me, and I to you as the Queen of Peace. Bathe your beings with continuous prayers so the Divine Spirit may descend and strengthen you through Me in that permanent union with Me.

Rest in My Arms, if you accept it, so that you may see the birth of the New Sun, the Light-Star that I bring you today from My Kingdom to the world and to humanity.

I wait for you to continue united with Me after the 25th, which will be the last impulse of My Light so that everybody can gather My teachings, My instructions, sow them, and let them blossom for others.

Carry the Light of My Heart and trust. I Am the Queen of Peace, the Mother of Graces, the Lady and Mother Prophetess of the New Era. Today, I step with My Feet, upon the serpent of evil, so that souls may move away from the shadows, and you may assist Me, in prayer, to rescue them, as I am doing with you during all this time I am coming here and to other places.

I need soldiers of peace who trust in Me, missionaries who carry My Love with simplicity and humility. I do not ask you for anything else, but rather to pray with Me so that you may unite to My universal task, My Immaculate Principle and My Divine Power. For this reason, today I announce Myself to you as the Eagle of the Sun, the new Spirit that descends upon the world.

From the beginning, in Medjugorje to here, in Brazil, have you understood what the Lord desires? Thus, I come here to tell you: it is time for the peoples to meet and unite, first in spirit, then in this dimension; but much must occur for this to happen. That is why I am preparing you all for that moment.

Yearn to seek My Sacred Fire, which is Immaculate, so that it may transform your lives entirely and so that nothing remains of the past, so that the new sheep may graze and I, as the Shepherdess of Love, may guide you toward Christ.

Do not fear uniting with Me through old prayers; you are not going towards any doctrine, but rather towards Me, towards redemption. All of us are at fault, but we are all forgiven. Today I bring you this Grace for those who dare to accept it.

Let us pray without judging and trust, so as to love.

The "Hail Mary" is prayed three times.

I give you My thanks because more souls are uplifted. Remember when you were children and learned this prayer. The essence of this prayer is that the Angel that announced Itself to Me, the Archangel Gabriel, the Angel of Redemption, may announce Itself to you, so your hearts remain open and do not close to Me. Each of you, in your school, must know that all belong to the same world, which is being tested in light of the Divine, in light of the Law.

For this reason, I bring you My Peace so that you may dare to transcend what is still immature and must blossom for Me.

I Am the Mother of all, I Am the Divine Conception, the same as yesterday and now.

In prayer, lift up your hearts to find My Kingdom.

Thank you all for responding to My call!

May the Love of Christ forgive you and strengthen you. Untiringly seek Mercy, it is there.

"Luminous Bird" is sung.

Friar Elías del Sagrado Corazón de Jesús:

We wanted to share that when the Mother manifested and transmitted Her Words to us, three golden stars appeared behind Her that formed a triangulation, and between those stars, the word MIR appeared written.

At the end, while the choir was singing, She slowly rose up and radiated seven rays of different colors upon us. She then disappeared.
