TWELFTH SPECIAL APPARITION OF THE VIRGIN MARY, ON THE HILL OF APPARITIONS, MARIAN CENTRE OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 8 p.m., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The numerous group that has followed this cycle of Apparitions at the Figueira Light-Community assembled at 7 p.m. on the Hill of Apparitions to pray and prepare themselves on this day.

Mother María Shimani de Montserrat:

We will begin our work for today, this work of union which we do here to wait for our Divine Mother.

We will draw the energy of our Mother to us. We will draw to us that profound feeling of love and devotion for Her, the gratitude that comes from our heart for Her Presence among us, the protection and safeguarding we have felt on these days while trying to understand that She is here to place us all under Her Mantle, to remain with us during this end time, in which a new dawn will come to our planet and our civilization.

Let us begin our work by praying the "Universal Mother" prayer.

The group prays for about one hour, then begins to intone the "Hail Mary," announcing the proximity of the Divine Mother.

At a certain moment, Friar Elías stands up and interrupts the prayer.

Friar Elías del Sagrado Corazón de Jesús:

We breathe in and feel the Presence of Our Lady.

She has already descended from the Heavens, bringing a rose upon Her Chest. She is accompanied by a group of angels who bring bells in their hands, announcing Her arrival on this night.

Whoever becomes empty of self will have My Immaculate Heart.

I Am the Luminous Bird. I Am the Divine Conception.

I have come to ask that you prepare yourselves for the coming times. I will be with you, at your side, holding My emblem of Peace so that you may carry it and radiate it to all hearts.

Today I have come dressed in white and light blue so that peace and purity can be sown in your hearts. Carry My golden belt for the consecration to My Sublime Heart of a Mother and Protector. Carry My crown of stars so that the fallen may stand up and those imprisoned, in this last hour, may be saved by Me through prayer.

I want you to understand what I am saying to you as the Mother of Love. I am here, among you, helping you in each moment. Find rest in My Heart, find Light in My Sacred Hands.

Carry My Protective Mantle with you, so it may cover you on cold nights, so it may safeguard you from the strong changes that will come to this world when I leave for My Kingdom.

But do not be sad, because I will be there, closely watching over you as the Mother of all, without distinction of race or creed, without distinction of culture or religion; because My Heart must triumph in this time, within all hearts that open to find Me, so that we may walk together along the pathway of peace, along the new path of peace that I am marking for you by the Will of the Lord.

Experience the Kingdom of My preferred and immaculate Graces. Here, in the higher planes, the Will and continuous Grace are lived. For this reason, I want you to reach here with your sincere and pure prayers. In this way, I better hear the requests, when you lift them up without conditions or goals.

Know that I Am the Mother of all languages and all peoples, since the beginning of Israel to the present. Thus, I have appeared at various moments and in different periods to assist the world in need of light and peace in each moment.

When part of My Work was fulfilled in Lourdes, I was able to return to My Kingdom without ceasing to be watchful as the Mother of all My children.

When I came to Fatima and the Sun revealed itself to the world so you would believe in Me, with all the prayers, I was able to stop the war that had caused destruction. Because humankind only sees their weapons and their own wills, the strength of their thoughts; but in truth I tell each one of you who are here today, that you do not know the Divine Will; for this reason, I am here as Mother, so you may find it and recognize it.

The Lord wishes to cast His Justice upon the world. At that moment, I will affirm Myself as the Warrior of Peace to bring relief to hearts and rescue souls.

During these days, find the Light of My Heart within yourselves, so that you may feel Me and hear Me. I resound in each inner self, that is part of My task as Universal Mother.

Find the Light along the path. I am leading the way for you to follow Our Lord, Christ, Who is calling you so that you may give of yourselves in this end time.

My angels will accompany those who wish to understand the Will and live it without restrictions, without prejudice, simply accomplishing a vow to the One and Only Law, which is the Law of the Lord.

Today I open My Arms to scatter the Light over your hearts, so you may once again find refuge in Me and can follow Me.

A new portal is opening over this nation, which cries out for its own redemption, which will collaborate with the world, with humanity in the end of times.

For this reason, I am here to assign this task to you, so that you may recognize the Will of the Lord to form souls of permanent prayer who are able to respond to My call to prepare the path, to prepare their inner self, to mature their heart.

Today I find you more calm. Have you perceived what prayer has done?

It is simple to be able to pray with Me when the soul is willing to find Me, when the soul is willing to search for Me and when the soul is willing to go into My Heart, where it will be protected and safeguarded by My Light.

I know that many seek answers to confirm My Presence, but know that this is the Will of the Lord for those who want to hear and respond to it.

I only come here to open the doors of this nation, as it was done in Uruguay, nations that will respond, in the end of this time, to My call of peace and redemption.

I give you My Immaculate Heart so that you may see this burning Flame.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother placed Her Heart on the palms of Her Hands and raised It on high.

This is My protective Flame, it is the Flame of My Love for those who wish to carry It in their hearts, so that you may be able to recognize My call, which is alive and preferred.

Friar Elías del Sagrado Corazón de Jesús:

Now She has placed Her Heart again within Her Chest .

Such is My Heart, the same as your essences, so that they may shine forth in the peace I am bringing you from My Kingdom, which is the Kingdom of the Lord.

Do not dwell on what is happening, just listen to what I am saying to you and welcome the Grace you are receiving; because before I came here, the Lord came, His Gaze came, His Eyes came to this place.

The Lord has preferences for all His Children and He seeks to balance all the hearts that follow their own paths and have not yet found Me as Mother. For this reason, I come here to ask that through this call of Mine, you welcome and receive souls without prejudice.

Lift up your minds to the Light of My Heart so that I am able to redeem them and you are able to find relief from the great doubts.

Have you not seen My Heaven move over your hearts?

What are you waiting for, My children?

The time is coming and the Lord will come looking for you, as it happened in ancient Israel, going through Nazareth, Galilee and Judea. The tribes scattered into peoples to be able to respond to the Call of the Lord in repopulating the planet, which needed to expand its consciousness as humanity and as a group soul.

But now, the times are different and humanity has many faults toward the Lord; thus, I am bringing you My Mercy, which is the same as that of Christ, because I Am His Servant since the beginning.

Today you will see Me here as the Prophetic Mother Who announces His Peace from the Higher Kingdoms.

Today, just ignite your hearts to find My Love and so that you may feel it.

In this way, you will be protected, and beyond everything you will see happen in the end of this time in this world, your hearts will be quiet and calm in prayer to help the souls in need of light.

Today I can tell you that I am blessing this small city, Carmo da Cachoeira, so that with your eyes you may see other hearts in need of light and peace.

The Will of the Lord was that I come to this beloved nation, because devotion has been the key to My Presence here and I, as the Mother Who intercedes before the Lord, have asked Him for an opportunity for many more to awaken through these meetings in this last cycle of the time.

In your lives, carry the Light of My angels, who, in obedience, are preparing for the coming of the Redeemer; for in the Books they have already written it with their letters on the pages. But now what seemed to be a not very real story has become truth for those who wish to read these Messages.

It is important that we pray together to calm hearts and so that I am able to reach them. For this reason, I need you to be firm in prayer, so you are able to go and recognize My Work of Peace in this end time.

Who prays with purity may pray little, but the prayer will be true and will reach the Heavens. But, who prays hurriedly and does not stop to meditate, will they be making their connection with God or will they simply be spending their time believing they are responding to My call?

Prayer is meant to be incarnated, to be lived and for it to work in your lives with true answers and with deep changes, which I am offering and radiating to you from My Heart during all these meetings.

Let us pray.

The "Luminous Bird" is prayed three times.

To those who want to know where their prayers go, I will tell you: to this world, to the Celestial Kingdom so that it may act through the bases of prayer and to you so that you are able to be renewed in life and find My Peace, which is being offered to you as a preparation for what will come.

Some prayers permeate the souls I have been seeking for a long time, so that they may be able to reappear on the path to the Lord. Prayers reach many directions and many of them are unknown, but all act within this world because we are in the final cycle and My task expands to the whole universe and to all of humanity. Thus, I am here, entrusting this to you, as I have entrusted it to the brothers and sisters of Medjugorje.

Why am I appearing here, if I am already appearing in Medjugorje?

Because as the Will is One, It can open through various paths to rescue souls. Shortly, you will understand what has happened here and will be able to unite what is separated within your consciousnesses and turn them back toward Me.

Mother María Shimani de Montserrat:

The Divine Mother is asking a brother, a faithful collaborator in the work, who She calls by name, to come up here.

While all are praying the "Universal Mother" prayer, the Divine Mother speaks some words to that brother. Afterwards, the "Luminous Bird" is prayed twice.

Friar Elías del Sagrado Corazón de Jesús:

Before leaving, the Lady will bless another part of the group, as She has done during all these days. We will go where She will go and we will all open ourselves to also be blessed by Her Presence.

While they move toward the group chosen by the Divine Mother, the payer "Luminous Bird" is prayed.

Friar Elías del Sagrado Corazón de Jesús:

The brothers and sisters who are along this path leading to the House of Prayer may come closer in great harmony. The Lady is above our heads. She says She will give the blessing to the hearts.

May the Power, Light and Love that emerges from the One Source through Me, bless all these hearts so that they may find My Peace and My Light.

I Am the Mother of Time, the Mother of Mercy.

Receive in your souls My Spiritual Presence so that you may continue on the path toward Me. Do not fear, I am with you; open your hearts to find My Peace which is descending.

Thank you for responding to My call!

The "Hail Mary" is intoned.

Friar Elías del Sagrado Corazón de Jesús:

She gave us a rose and placed a certain number of roses over Her Feet. She asked if we remembered that not long ago She asked us if we would accompany Her to rescue souls during the cold of the night. That we should remember this passage we are experiencing today on the physical plane.

At this point, personal questions were asked and the Divine Mother responded to them.

Dear children, tomorrow we will meet at another point so that you may be more fulfilled for the new encounter.

Thank you for responding to My call, and today, lift up your souls to the Heavens through prayer; in this way, when more souls should respond to My call, the world will achieve peace.

To close, the choir sings "Luminous Bird."
