FIFTEENTH SPECIAL APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTRE OF AURORA, PAYSANDU, URUGUAY, AT 7 a.m., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, on the eleventh day of the apparitions, just like in the previous days, a large group gathered together to pray and listen to today's Message of the Divine Mother.

While the group was praying, Friar Elías and Mother Shimani approached the tree and spent a long time speaking with the Divine Mother.

Afterwards, they asked a female monk from the Monastery of Eternal Faith to approach, and she too spent a long time close to the tree. Friar Elías transmitted what the Divine Mother was saying to the sister. At that moment, the Celestial Mother consecrated this sister as a new Mother (I) within the congregation.

At a certain moment, Friar Elías addressed the public to transmit what the Divine Mother had said.

Friar Elías del Sagrado Corazón de Jesús:

The Lady said: "I Am the Lady and the Mother of the Divine Conception of the Trinity."

She told us that She is very happy with these prayers, and asked us to continue praying because it is saving many souls, even if we do not see or feel it.

When She appeared, She did so as the Queen of Peace, very resplendent, with a great crown of stars in the form of an arch that stretched from one side of the tree to the other. Around Her waist She had a large and very firm belt, and looked at us with great kindness, with much compassion.

She reminded us of the passage of Her meeting with Elizabeth, Her cousin, and also Her meeting with some of Her spiritual daughters, who in these times are present here to fulfill a part of Her call.

She asked us to continue praying, to continue helping Her with prayer, and said that at some other time of the day She would call us, but we do not know when.

She also said that today, we have to work with the guideline of the 150 Hail Marys at the three scheduled times, and She said that at midday, She will return, and later She would tell us if it will be for everybody.

Thank you all.

(1) In the Grace Mercy Order, at the request of the Divine Mother, female consecrated persons are referred to as "Sisters" and male consecrated persons are "Friars" (which comes from the word

fratello, which means fraternal, therefore those who seek to live in fraternity). Some sisters, who have taken further steps, demonstrating great surrender and dedication to others, as well as a profound capacity to love and spiritually guide their sisters and brothers, are referred to as "Mothers."
