DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

Eternal glory to the God of the Heights and peace for the hearts that persevere in the quest for the Merciful Heart of Christ.

Dear companions, I thank you in the name of God, the Supreme Father of all Creation, for answering to the prayer request of His Holy Servant, the Virgin Mary. Your prayers are being heard in the Kingdom of the Heavens and many souls are being removed from the abysses and hells of this world.

I ask you, with My Chaste Heart of Love, to keep praying for the world and to not detain the power of salvation that is being generated from your hearts.

I ask you to give priority to this urgent need of the planet and to remember, in every instant of your lives, the souls that are dying forgotten by the world, as something normal. Today My Chaste Heart comes to tell you to not allow that the world atrocities become natural to the human heart.

Do not relate the Middle East with wars and with permanent conflicts or with death, with suicide and with massacres, because that land must be recognized as the sacred ground where the Family of Christ lived and where His Merciful Heart of Love learned to serve God and the others.

The adversary of the Project of God is trying to erase from the memory of humanity, and above all, of the Middle East, the codes left by Christ, by His Family and by His apostles and disciples. But the enemy does not know, My dears, that these codes of love are imperishable and that they will always light up before a pure heart that invokes them for the redemption of the world.

The Blood of Christ was not poured over that ground by chance and all the blood that is poured today must be converted by the prayers of all the peacemakers from the whole world.

Never forget the souls that lose themselves every day in the whole world and, above all, in Africa and in the Middle East. Pray without ceasing and offer all your difficulties for those who do not have an opportunity of traversing a spiritual path.

Live in the spirit of gratitude every day, for all that the Creator God delivers to you in order to be able to fulfill His Plan and be a bridge of salvation for the lost hearts.

Awake and walk fast to the union with Christ. The salvation of this world starts in the little transformations of your lives.

Know that your souls and your spirits are sacred before the Eyes of God, because you keep in themselves a unique potential of imitating His Son.

I love you and expect to find you in prayer and vigil, in transformation, effort and sacrifice every day.

Saint Joseph, the Watchman and Guardian of Holy Plan of God
