**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS???**

Children of the Most High God, the agony of the world has not finished and the Heart of Christ keeps being scourged every day by the unjust actions of humanity.

Open the eyes and see around you that the Apocalypse comes to pass in the world. Transform your lives, live of the balm of praying and give to drink from this water of life, which is the union with God to the thirsty and helpless souls.

May humanity listen to the definitive call of the Messenger of God! May all of those that consider themselves awake and conscious walk with large steps in their transformation.

No longer waste time with the stinginess of life! Reconcile yourselves with those who do not allow you to live in the spirit of peace. Love your enemies and may these ones no longer exist among siblings of the same race, united by a single divine purpose.

Realize that you are passing through the last times of the planet and that it is not time to think about yourselves, to concretize plans and personal aspirations.

What value will have to you to build a project of a material life, if those who do not sustain the fortitude of the spirit will disappear in the midst of the storm of chaos and of evil?

Dear companions, I speak to you in clear words, because whole nations are losing themselves by the progress of darkness. Where are the soldiers of God? What have those who committed themselves with Christ been doing?

It is no longer time for emotions and half-surrenders. Pray with the heart, with the spirit and live as true disciples of Christ. Demonstrate to the world that there is an only way out of this tribulation that the planet lives, and this way out is the Infinite Heart of God.

You have been brought over here, to this world, in order to live love and forgiveness; so, live them.

My Heart of Father warns you, because, in Heaven, the Creator awaits the answer from the human beings, in order to provide new indications about the course of His Plans.

Do not allow that the most precious treasure of the universe to be lost. You are still in time to convert the mistakes of your lives, but be quick and ready to answer to the call of the Messengers of God.

The world needs prayer, conversion and faith.

The Most Chaste Saint Joseph, in the leading of souls for times of definition and surrender
