**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS???**

For a heart to learn to be an instrument of the Humility of God, the Lord allows a soul to live the experience that it needs, even if it puts in risk one of His projects.

When Peter denied Jesus three times, the Lord allowed him to make that mistake and did not advise him in the moment that he would make it because Peter needed to learn to be humble.

Upon Peter, the Lord aspired to build a great fortress. From the words that would come from his mouth would arise the gift of the Spirit of God, the conversion and the awakening for many souls. Peter should proclaim the Kingdom of God, not only with words, but with his own existence, with the example of his life, of his conversion and transformation.

If Peter had not denied Jesus, he would never attract for himself the gift of humility and he would never discover the essence of the Forgiveness of Christ.

Each learning that God sends you has a higher spiritual purpose.

Know that God aspires to make many of you the "Peters" of this time, building His Fortress upon those that must carry forward a true transformation and a perfect union with the Christic spirit.

Accept with humility the lessons of life and, whenever you notice a mistake, observe what God teaches you through it, and learn and grow from the heart.

I love you and guide you for the manifestation of the inner fortress of all beings.

The Most Chaste Saint Joseph, Humble Servant of God
