MESSAGE FOR THE EXTRA APPARITION IN THE CITY OF PUNTA DEL ESTE, MALDONADO, URUGUAY, TRANSMITTED BY MARY, MOTHER AND UNIVERSAL QUEEN, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May My eyes be the living sun that illuminates your paths. Through My presence in your lives, there will never be darkness that confuses you or lack of faith that separates you from God.

My beloveds, may the rays that come from the sun of the world be the same that come from the Heart of God, by means of His Servant.

Feel these rays of the sun of this world which represent My Fire and the Fire of the Heart of My Son, which come to the world in order to liberate it from all evil.

I come among the clouds surrounded by Celestial Light in order to announce a new time of great changes, a time which you must enter consciously.

I arrive in this city in order to show you that not even the greatest beauty built by the hands of humans can be compared to the Celestial greatness.

All of what you can see around you, built by human hands, are illusions that imprison the heart to matter and to material desires, while all that comes from the Divine Creation liberates the soul and makes it come out of itself in order to merge itself with the Source of Creation.

My beloveds, My presence arrives to this city, as a last hope in order for this nation to awaken definitively to its mission.

I know that many think that there are greater illusions in the world, greater wealth, greater perdition, but I say to you My dears, that this nation represents for God one of the pillars of His redeeming project and must comply with its primary mission in this time. For this, here, in this nation, I create one of My main houses of the world so that it may radiate conversion and awakening for all.

I hope to find here a strong group of prayer able to balance, through faith, all the lack of union with God that exists. But for this dear children, I need souls that are truly committed to the Divine Purpose and that do not hesitate to abandon all illusions and mundane desires in order to dedicate their lives to the fulfillment of the Plan of God.

Today I want to leave you an impulse for the total consecration of your lives to God, in this way you will be able to balance the faults of this world.

In this time that will come only a true and full consecration will be able to balance the evils of the world. It will be necessary that besides prayer, there is a consecration of the souls that surrender themselves completely to God and renounce all of what this world can offer them in order to live a life that goes against all of the human currents, those which purify and renew them. Thus, little by little, this humanity must become sacred.

My beloveds, My voice echoes in this world with softness and purity, with love and with forgiveness, but there will be the time of Justice and those who did not reconcile themselves with God will have to live the consequences of their union with evil.

I warn you in this time, in order that there may be no doubts in your hearts. As your Mother it is up to Me to tell you the truth. For this, give thanks to God for My words and be consistent with what your hearts dictate.

I love you and I will guide you every time you want to follow My steps.

May this nation be consecrated and this city be redeemed by prayer and consecration of the hearts that are faithful to their Creator.

I bless you today and forever.

Mary, Mother and Universal Queen
