DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Continue to pray every day because the supplication of humanity is being heard.

My children,

With all of you in the center of My Immaculate Heart, today I call you to prepare yourselves by means of the vigil of prayer that all My children are being called to carry out tomorrow, on the 11th.

Dear children, God is receiving true impulses of love from all of you. I invite you to continue praying for the world. My Immaculate Heart elevates the pleas of all My children, and God, in His Infinite Mercy, contemplates the love of all His children.

Dear children, go forward, go forward! And do not stop the victorious art of prayer. This is the time to share, your prayer is equivalent to the charity of many hands. With the coming of My Son everyone will be able to be touched by the Mercy of the Redeemer.

It is time to propagate the importance of praying with love for the redemption of all My children. You, My little ones, have received the greatest instrument from the Universe of God and this instrument is called the "prayer of the heart."

And today, extending My merciful arms and My Mantle of Light on all who need it, I ask you to continue through the Christian path that is being built from your hearts.

My Son, under the High Glory of God, contemplates you with His Eyes of compassion. He invites you to work for Celestial Peace and, in the name of this Celestial Peace, it is time to help the world, the Kingdoms and humanity.

May the Holy Spirit be the flame of wisdom in the hearts of all My children. I will accompany you always, and whenever you allow Me to, because I love you.

In the Merciful Love, praised be the Redeemer!

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
